CHEERLEADING SQUAD

POM POM CLUB: Our teams can defeat any T&A challengers thanks to the inspiration of our cheerleaders—who we cast as much for their cup-sizes as their school spirit. These gals show love on the field and in the shower! See them in *Cheerleader Camp* (1988, below) and the sexy 70s trilogy: *The Cheerleaders*, *Revenge of the Cheerleaders* and *The Swinging Cheerleaders* (spread).

There's time to sun your pom-poms at *Cheerleader Camp*!

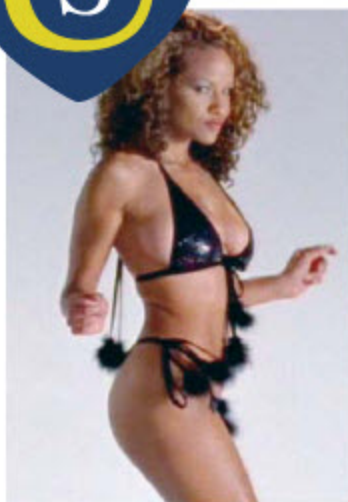

When building school spirit, it's crucial to do things as a group. Remember girls: a cheerleading squad who gets naked and horny together stays together!

SWIM TEAM

HUMP-STER DIVING: Our bikini-clad team will have you holding your breath in awe as they bring new meaning to the words *swim meat*! Senior Brooke Burke is *Wild On* (2000, below) DVD, sophomore Jessica Biel is a real *Summer Catch* (2001, opposite top) and freshmen foxes Leila Arcieri & Jaime Bergman of FX series *Son of the Beach* (2003, opposite bottom) will put a lot more than sand in your shorts!

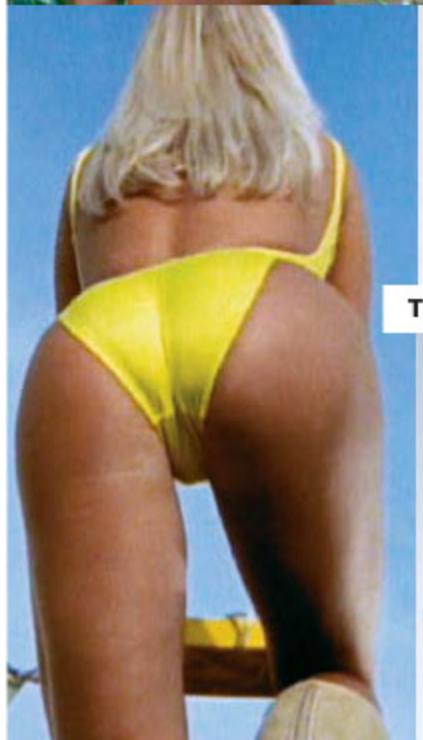

Brooke's breaststroke inspires *strokes* of a different kind!

Jessica Biel stays wet both in and out of water!

The *Son-of-the-Beach* gals prove that 2 thongs make a right!

GYMNASTICS TEAM

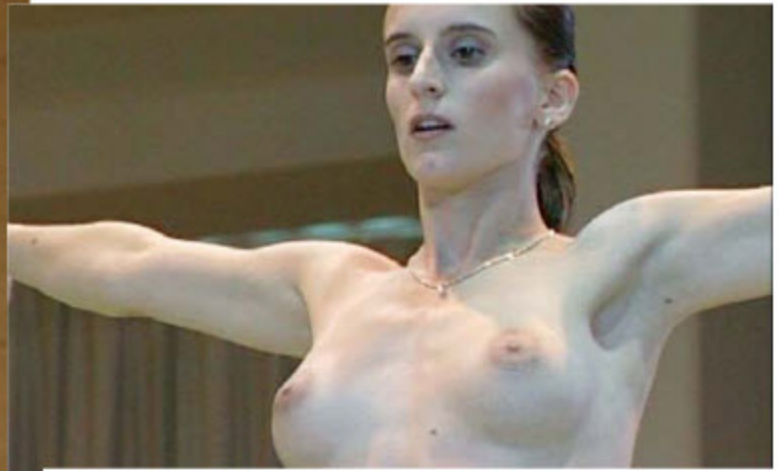

VAULTING VIXENS: Our beautiful gymnasts all took home medals for their Romanian national team—but since retiring, they tumble, flip and stick their landings exclusively for C.S.U. These girls teamed up once more to perform in the Japanese release *Gold Bird* (2002, spread), in which their best moments occurred while clad in nothing but a little chalk on their hands!

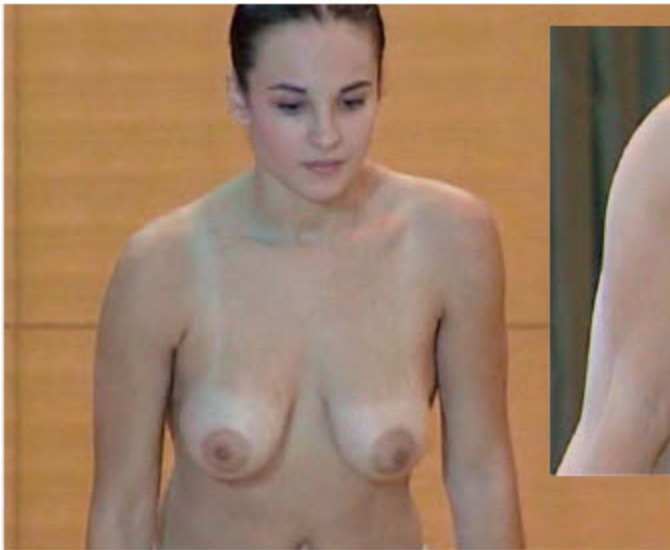

Cute Lavinia Milosovici is thong-tastic!

Leggy Claudia Presacan inspires lust!

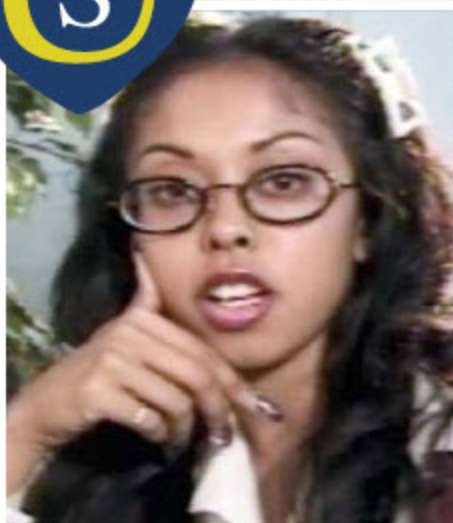

Busty Corina Ungureanu is a perfect 10!

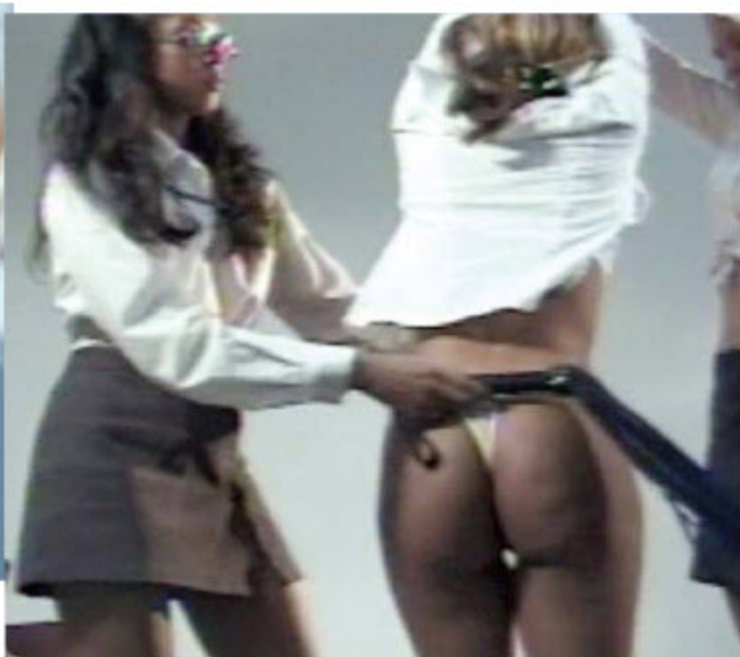

SORORITY SIZZLERS

ALPHA BETA GOZONGAS: Some C.S.U. girls seeking popularity join one of our sexy sororities. After a few pillow fights, group showers, late-night cuddling sessions and, of course, sisterly discipline, the pretty pledges not only become BFFs, but lovers! Case in point, the bombshells of *Sorority Sadists* (2002, this page) and *Sorority Babes in the Slimeball Bowl-O-Rama* (1987, other page).

Get your education, girls, because a mind (and booty) is a terrible thing to waste!

Paddles & showers & tits, OH MY!

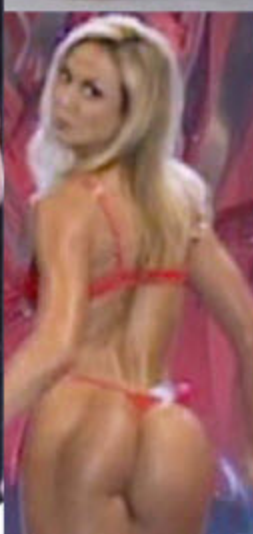

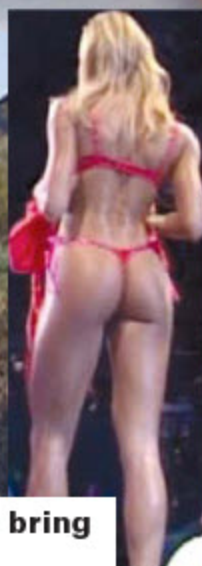

WRESTLING TEAM

BODY SLAMMED: Whether it's tapping out in a muff-bout by a throbbing three-count, or being laid-out by a low-blow, our women of wrestling will have your ultimate warrior in a choke hold. While Lisa Donatz and Corinne Kingsburg from *Old School* (2003, opposite top) pin-down our top-rope with a wet and wild breast match, the muscle-tussle tarts of *WWE Divas: Desert Heat* (2003, below and opposite bottom) really smack-down on our bush-whacker!

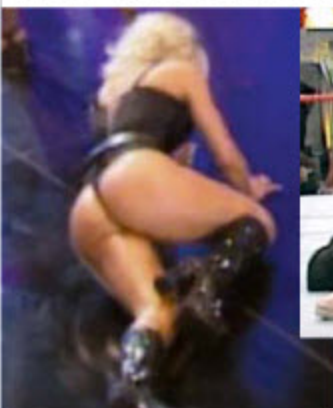

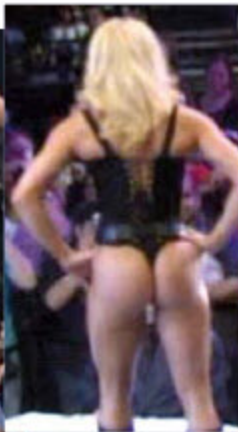

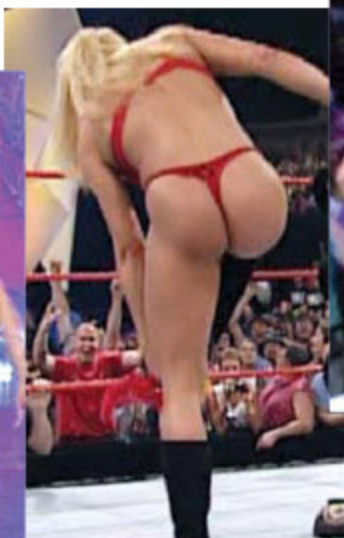

The WWE submission kittens bring the thong-dong beat-down.

Our T&A tag-team gets lubed-up for the rubber match.

These turnbuckle beauties will piledrive your wrist-wrestler!

FOREIGN EXCHANGE STUDENT

BREASTS ABROAD: Ravenously representing our phallic-flare for international T&A, Cerina Vincent shamelessly showed off her foreign fun-bags as we playfully planned to invade her *cunt*-ry in *Not Another Teen Movie* (2001, spread). She might not understand everything we say, but when dealing with the foreign tongue, we certainly don't mind the hairier language barrier when *cum*-municating with her student vulva-visa!

Cerina's out-of-town tits will have you clawing your culture-club!

We're kicking off our special yearbook sections with an Eighties ass reunion. These ravenous Reagan-era regulars keep heating up our naughty, nostalgic wet-dreams!

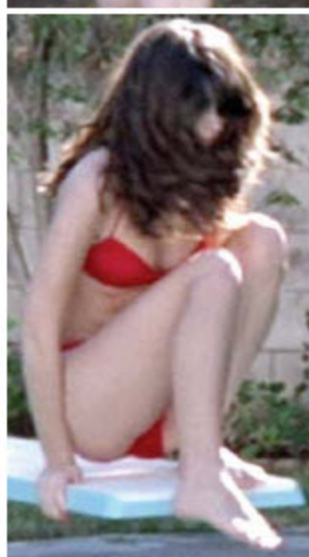

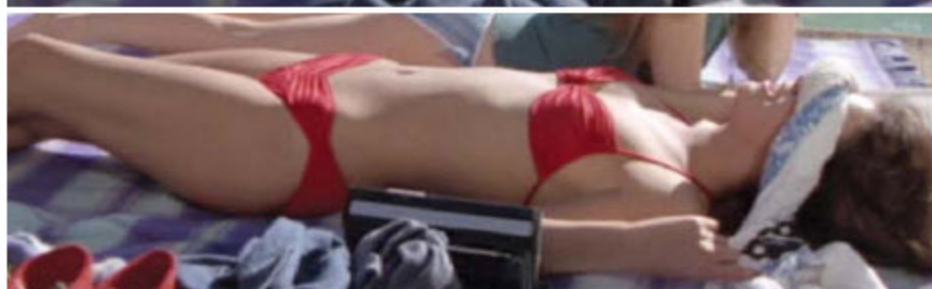

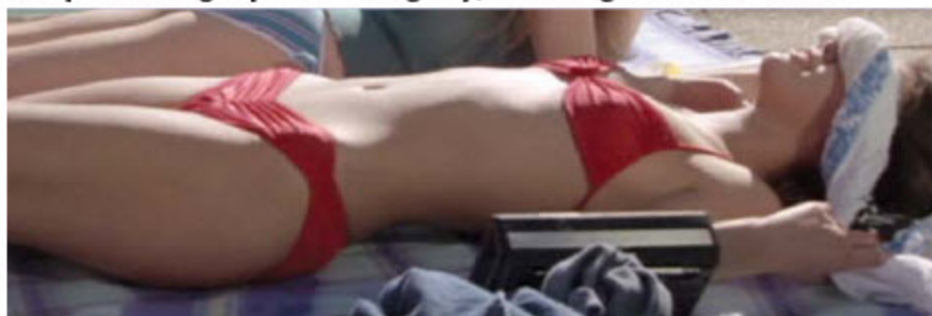

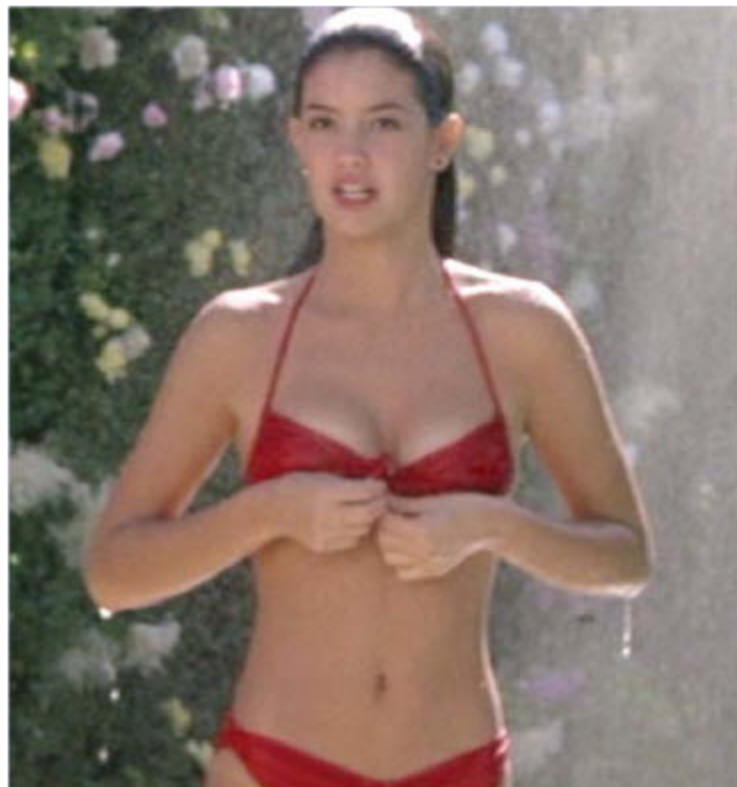

PHOEBE CATES

BORN: July 16, 1963, New York, NY

GIRL MOST LIKELY TO: Demonstrate the art of fellatio on a carrot during lunch period.

T&A GRADE: Our favorite private-school princess still has us groping our gremlin when we think of her legendary poolside showing in *Fast Times at Ridgemont High* (1980, spread). Nothing had us growing-up faster in *thigh*-school than when Phoebe flashed her famous chest gizmos.

MASTER-CATES: Phoebe may have been in-Klined to marry her movie star man Kevin, but she'll always be our topless angel of the eighties. She's kept us up late at night with thoughts of having her dark chest-circles under our eyes.

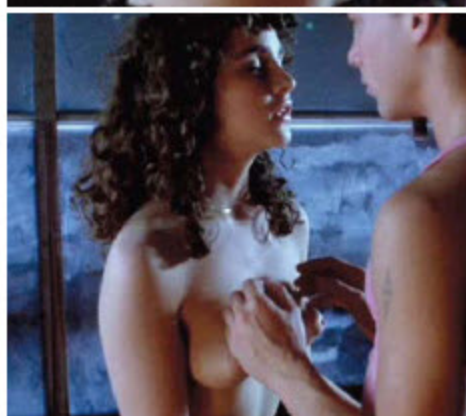

DIANE FRANKLIN

BORN: February 11, 1963, Plainview, NY

GIRL MOST LIKELY TO: Cause you to wear out the pause button on your '80s VCR.

T&A GRADE: Diane diligently displayed her tight-fittin' sweater-kittens when it came time for her to avoid becoming *The Last American Virgin* (1982, spread). Franklin's character loses her virginity just like every girl does—to the wrong guy! Trust us when we say you'll want to witness her *cumming...* of age!

DEFLOWER POWER: Starting out in cum-mercials, Diane's jiggly-jugs sold everything from coffee to Jell-O, but her hardest sell was a big-screen reaming as a tight-thighed teen. Her pasty push-pops definitely deserve a hand or two!

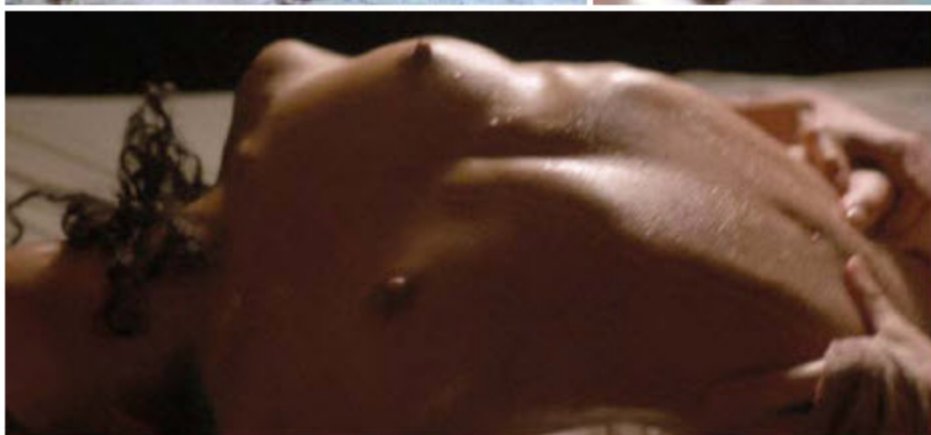

LISA BONET

BORN: Nov. 16, 1967, San Francisco, CA

GIRL MOST LIKELY TO: Secretly stiffen Bill Cosby's protruding pudding-pop.

T&A GRADE: This Huxtable hottie became a heaven-sent harlot, warming our love-muscle as a dark-skinned sinner in *Angel Heart* (1987, spread). Lisa dropped her too-good-for-TV image with her perspiring performance. You'd have to be from a different world to avoid a Bonet boner!

LET LUST RULE: *Lisa married dread-locked rocker Lenny Kravitz to end our teenage fantasies of landing the *Cosby* beauty. Since the pair split, we've been dreaming of the day this American woman is gonna go our way.*

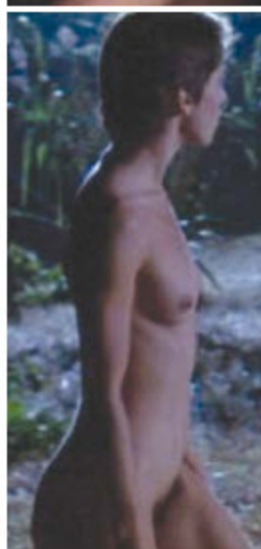

NASTASSJA KINSKI

BORN: January, 24, 1959, Berlin, Germany

GIRL MOST LIKELY TO: Give the phrase "pussy cat" two meanings.

T&A GRADE: Born to famous fiend Klaus Kinski, Nastassja made a name for herself by showing off what her daddy gave her. From the incestuous *Stay As You Are* (1978, opposite bottom) to the frisky feline fave *Cat People* (1982, this page and opposite top), Nastassja puts the *ass* in our 80s class.

KLAUS AND EFFECT: *Kinski's kinky career has been getting us high on her cat nip-ples since the first time we saw her purr-fect feral-features. We domesticated our mitten-kitten, thinking about giving Nastassja the milk she craves.*

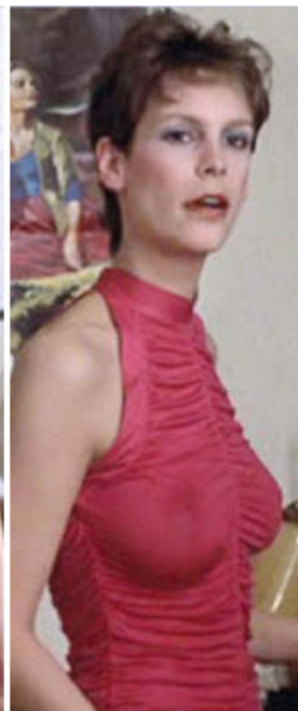

JAMIE LEE CURTIS

BORN: Nov. 22, 1958, Los Angeles, CA

GIRL MOST LIKELY TO: Still have a drop-dead sexy body when she's 80!

T&A GRADE: This Halloween sweet-treat ruled the 80s by giving us plenty of peeks at her petite pumpkins. Jamie made us stiff (then sticky) in *Trading Places* (1983, right and opposite), and she pushed the nudity envelope—and made us want to lick it—in *Love Letters* (1984, below).

AYKROYD-RAGE: In the riches-to-rags-to-riches comedy *Trading Places*, Jamie played benefactor, nurse and lover to Dan Aykroyd's furious blue-blooded victim. Eddie Murphy and Danny brought the titters, but Jamie brought the tittles!

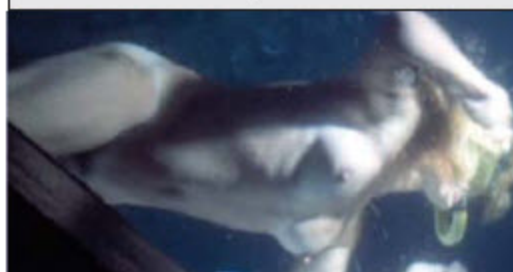

MELANIE GRIFFITH

BORN: August 9, 1957, New York, NY

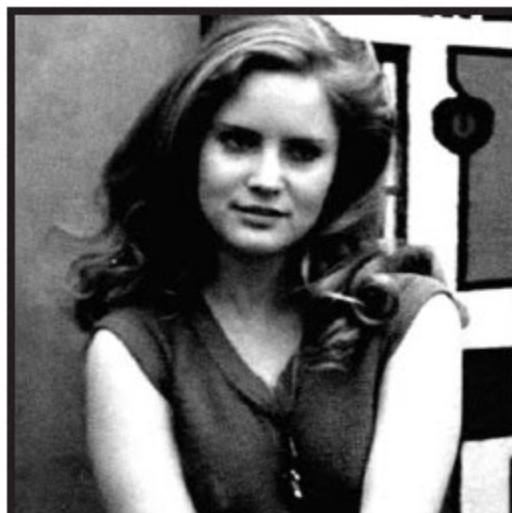

GIRL MOST LIKELY TO: Become addicted to Don's *Johnson*.

T&A GRADE: We got our first perverted peek at Melaine's milk-jugs in 1975's *Night Moves* (below and top), but it was her flurry of skin-friendly films in the eighties like *Body Double* (1984, bottom and opposite top) and *Fear City* (1984, opposite bottom) that made her a wet-palmed wonder.

WORKING STIFF: Despite Melanie's fully stocked wardrobe, this working girl received a real dressing down in order to earn big loads of milk money. Even now, Melanie's vice-ready body for sin turns our Crockett-rocket into a Tubbs!

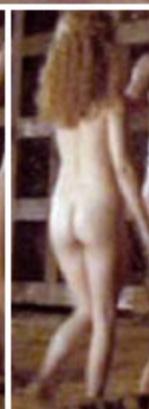

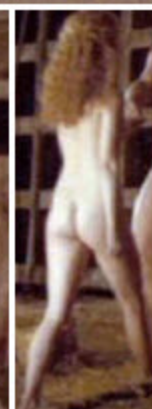

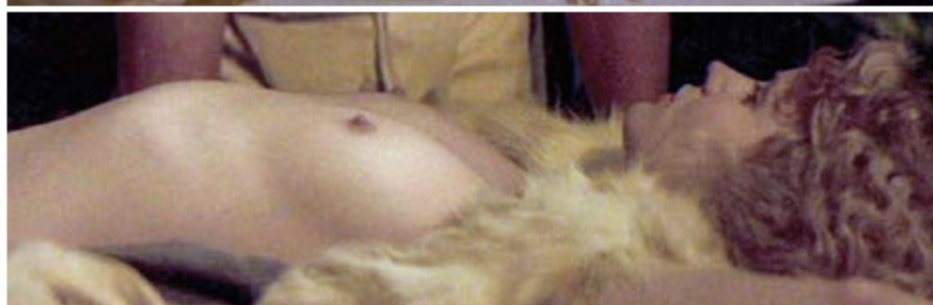

JENNIFER JASON LEIGH

BORN: February, 5, 1962, Hollywood, CA

GIRL MOST LIKELY TO: Lose her virginity to a stereo salesman in a baseball dugout.

T&A GRADE: Jen is a sweater-shedding veteran whose short-cut cooch has been in a spicy spectrum of films. She sexed up the 80's load-blower *Fast Times at Ridgemont High* (1982, opposite top), then played medieval moll to Rutger Hauer's skin-sword swinger in *Flesh and Blood* (1985, this page).

LET'S GET LEIGHED: When Jen played the psychotic roommate in *Single White Female* (1992, this page bottom), she terrified Bridget Fonda and audiences. But as far as we're concerned, hot, crazy & nude add up to the perfect roommate!

TAWNY KITAEN

BORN: August 5, 1961, San Diego, CA

GIRL MOST LIKELY TO: Key your car in a parking-lot after beating up her husband.

T&A GRADE: From squeezing O.J.'s juice to wrestling David Coverdale's lilly-white snake, Ms. Kitaen proved herself to be a venomous vixen that all men want to fall prey to. "Me-so-hawny" Tawny made *skin-o-matic* history in Just Jaeckin's damsel-in-undress classic *The Perils of Gwendoline* (1984, spread).

HIGH-HEELED HURLER: Though she put her MLB-pitcher husband Chuck Finley on the defensive, we'd let her start in our lusty line-up any day. Tawny has us ready to charge her mound—once she gives us the signal for thigh and inside!

KELLY PRESTON

BORN: October 13, 1962, Honolulu, HI

GIRL MOST LIKELY TO: Enslave Travolta with her Saturday-night beaver.

T&A GRADE: Kelly packed a hot and heavy Hawaiian punch when she brought out her bouncy-bunch in *Mischief* (1985, spread). This raunchy faux-fifties film roused our inner-Vincent Vega as Preston proved that seeing the right woman naked can get you higher than any drug.

PRESS-ON NAILED: Before Kelly slopped Travolta's sweat-hog, she was polishing-off Charlie Sheen's major-league slugger. Now that's she's married, we'll just have dream about manhandling her mischief-making mamms.

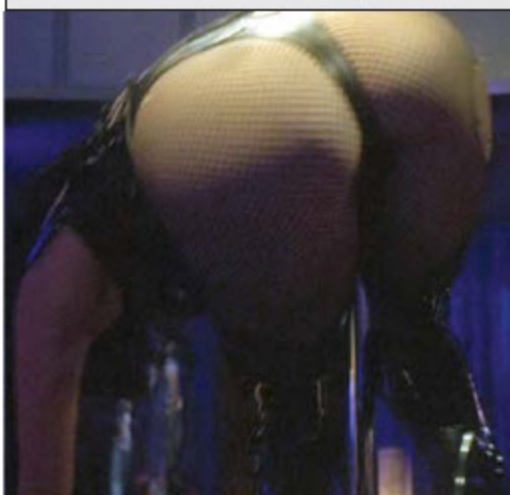

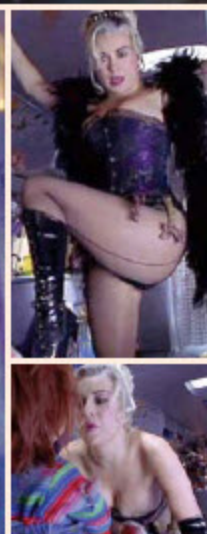

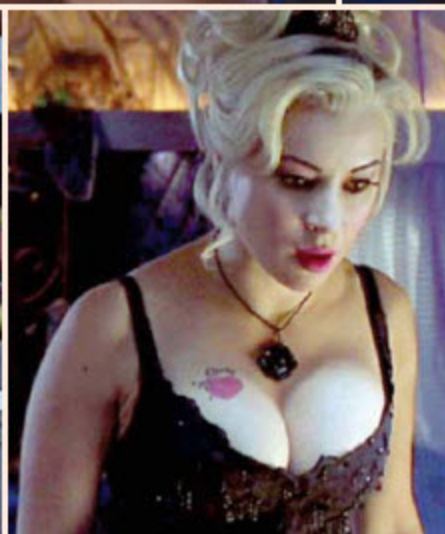

JENNIFER TILLY

BORN: September 16, 1958, Harbor City, CA

GIRL MOST LIKELY TO: Actually agree to be impregnated by a supernatural killer doll.

T&A GRADE: Before she tied our knob in knots in *Bound* (1996)—or stripped for our leg-lizard in *Dancing at the Blue Iguana* (2000, this page and opposite top)—Jen the juicy jugg-jockey, was running through our 80s fantasies faster than our birth-bullets could fire at her pendulous Tilly-twisters!

MY BUTT-BUDDY: Jennifer brought her nipples to the nuptials in *The Bride of Chucky* (1998, bottom left) and brought her honeypie to the honeymoon in *The Seed of Chucky* (2004, bottom right). No wonder Chucky rhymes with lucky!

DANA PLATO

BORN: November 7, 1964, Maywood, CA

GIRL MOST LIKELY TO: Tell Gary Coleman what Willis was talkin' 'bout.

T&A GRADE: As a teenage-television tart turned drug-abusing burglar, Dana was destined to be buried under the curse of child-star flame-out. Before her untimely end, she had us whacking our wrist-remote every way possible to her lickable lesbian love-fest *Different Strokes* (1998, spread).

PLATO'S RE-PUBIC: Luckily for us, Dana got down and dirty on camera once the TV-money stopped pouring in. Her surgically enhanced hooters never looked better than when they were Sapphically stroked by her carnal costar!

Some of our Nineties Knockouts came of age on TV, some sexed up the silver screen and a few even did both. But they all ruled their orgasmic decade with an iron thong!

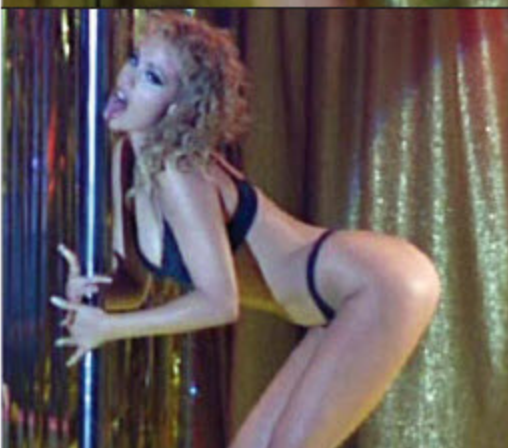

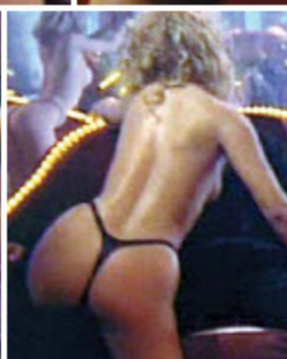

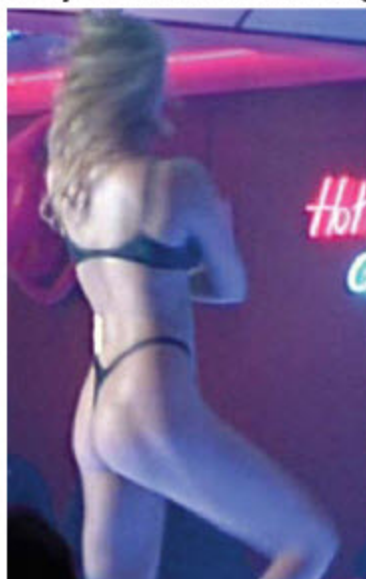

ELIZABETH BERKLEY

BORN: July 28, 1972, Farmington Hills, MI

GIRL MOST LIKELY TO: Give lap-dances at her class-reunion.

T&A GRADE: Elizabeth went from high-school hottie to pole-dancing princess by trading her *Saved By The Bell* innocence for the infamous role of a Vegas stripper in *Showgirls* (1995, spread). Bodacious Ms. Berkley ditched her graduation-hat tassel for a pair of pasties in this pole-spinning epic!

SHAVED BY THE BELLE: Although Berkley's bush was barren, we couldn't find anything missing from her paddle-straddling performance as the ultimate Vegas-vixen. You'll have to do your bone-work to find a dirtier dancer!

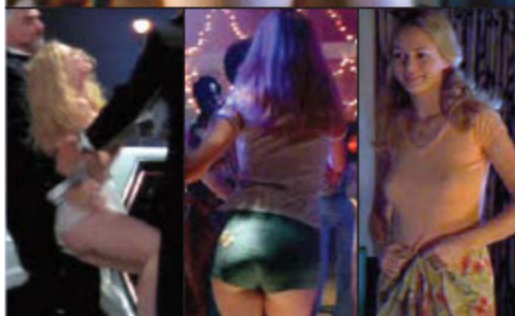

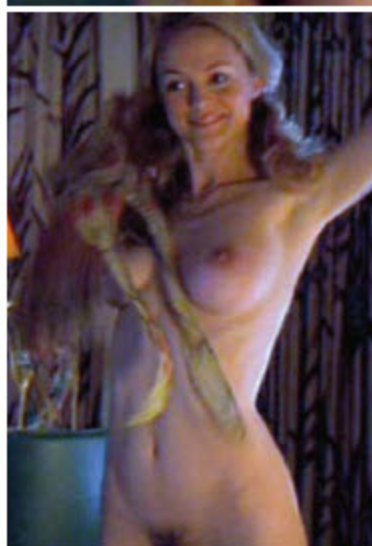

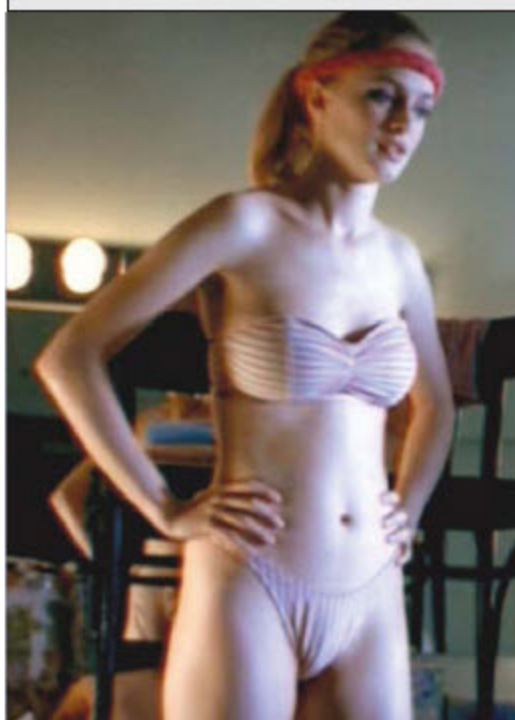

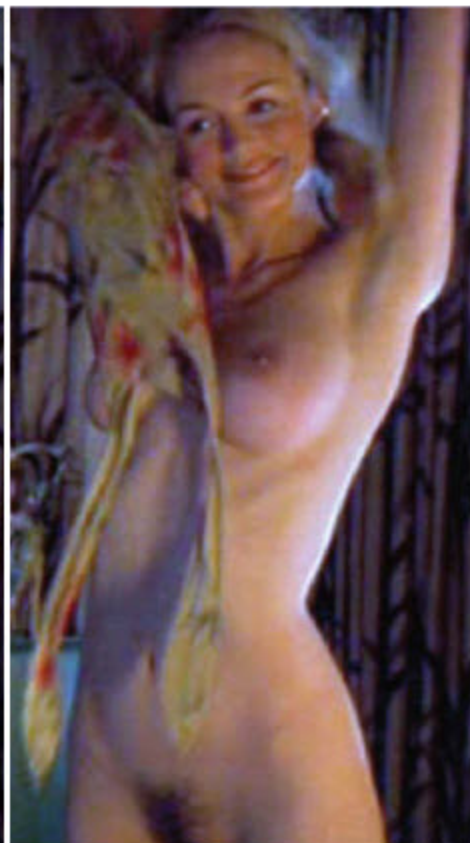

HEATHER GRAHAM

BORN: January, 29, 1970, Milwaukee, WI

GIRL MOST LIKELY TO: Star in a P.T. Anderson all-nude remake of *Rollerball*.

T&A GRADE: This golden-haired Graham made her squeaky-wheeled break-through as the rack-revealing porn-princess Rollergirl in *Boogie Nights* (1997, this page and opposite top). That role would prove to be simply a perverted prelude to the erotic-opus *Killing Me Softly* (2002, opposite bottom).

JERK DIGGLER: Heather was the perfect, perky porn-princess for Mark Wahlberg's Dirk Diggler in *Boogie Nights*. When Dirty Dirk took one look at Ms. Graham's funky-bunch, he made sure her squeaky wheel got well oiled!

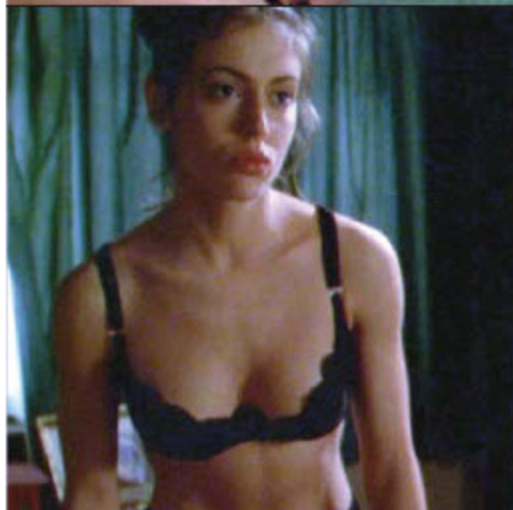

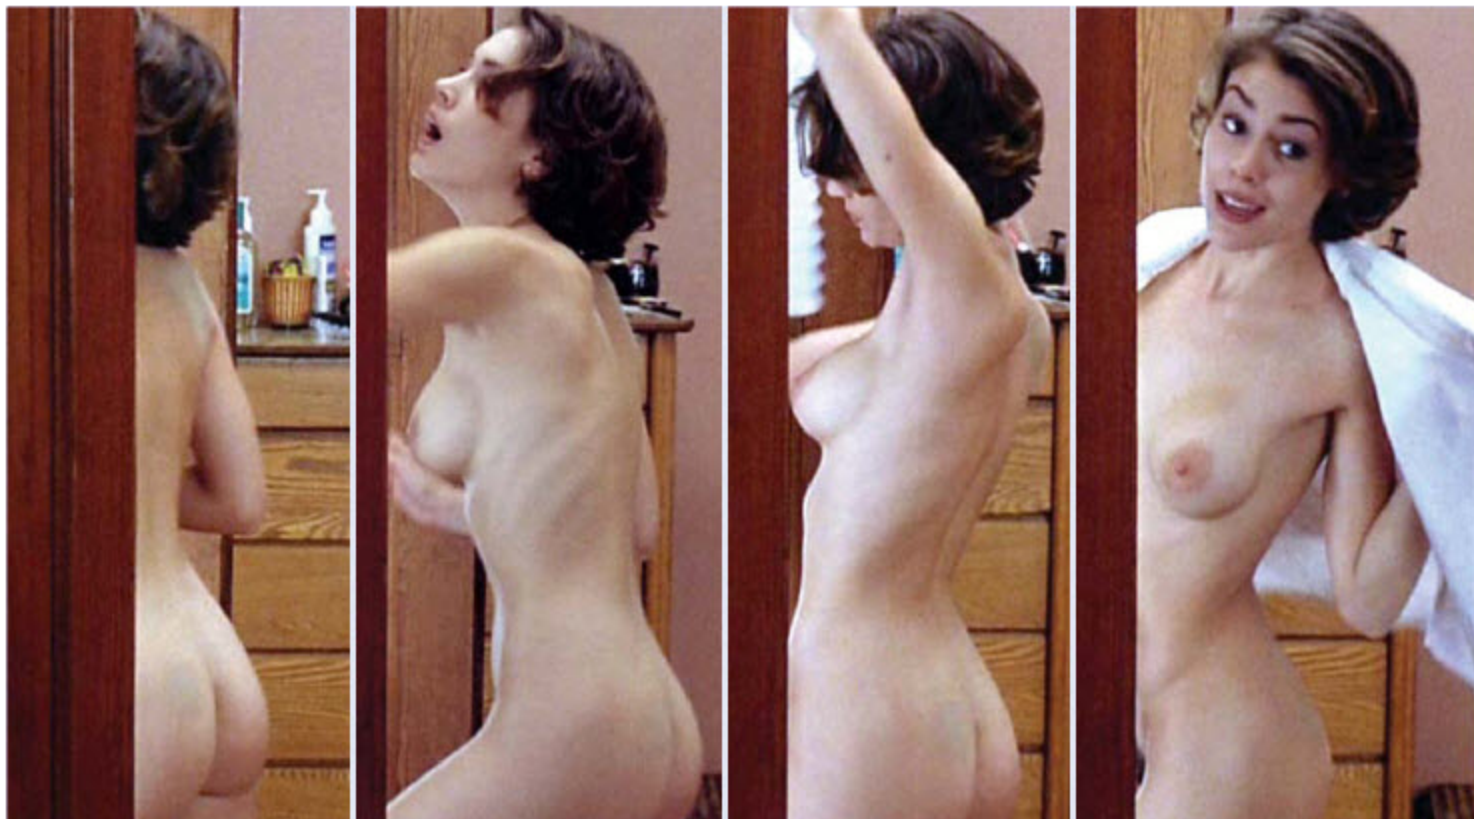

ALYSSA MILANO

BORN: December 19, 1972, Brooklyn, NY

GIRL MOST LIKELY TO: Show you *Who's the Boss* in the bedroom.

T&A GRADE: Alyssa, the captain of our chest-club, became every teen's wet-dream as she earned her skin-creds by dropping her top for some eye-popping peaks at her Italian-tasties in *Embrace of the Vampire* (1994, opposite page) and in *The Outer Limits: Caught in the Act* (1995, this page).

MILANO'S COOKIE: Alyssa proved to be the perfect afterschool snack with a hearty handful of perky performances that will put the right kind of itch in your jock-strap. Her pink pom-poms have us all rooting for the home cream!

NATASHA HENSTRIDGE

BORN: August 15, 1974, Canada

GIRL MOST LIKELY TO: Consume her manly mate after orgasm.

T&A GRADE: This model-turned-maneater was the ultimate hand-heater of the nineties, playing the all-consuming creature of the flesh-feature *Species* (1995, this page and opposite top) and the equally exotic sequel *Species II* (1998, opposite bottom). Natasha's sci-fi body is a piece of work worth praising!

ASS-TRONOMICAL: Henstridge's extraterrestrial showing left a decade of horn-dogs and science-geeks gawking at her out-of-this-world rack, sending them into orbit with fantasies of firing-up her bunsen-burner with their light-sabers.

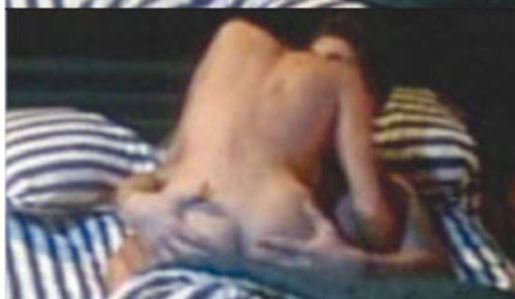

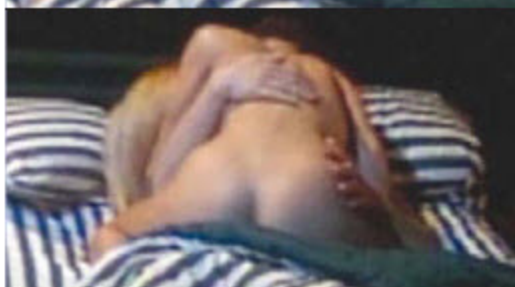

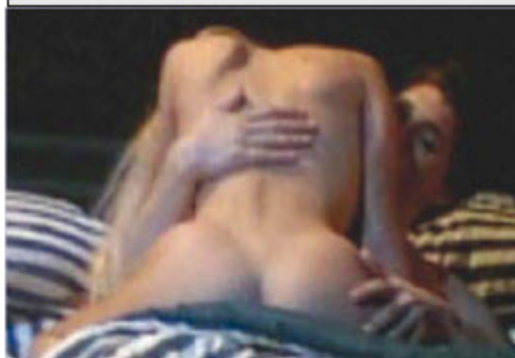

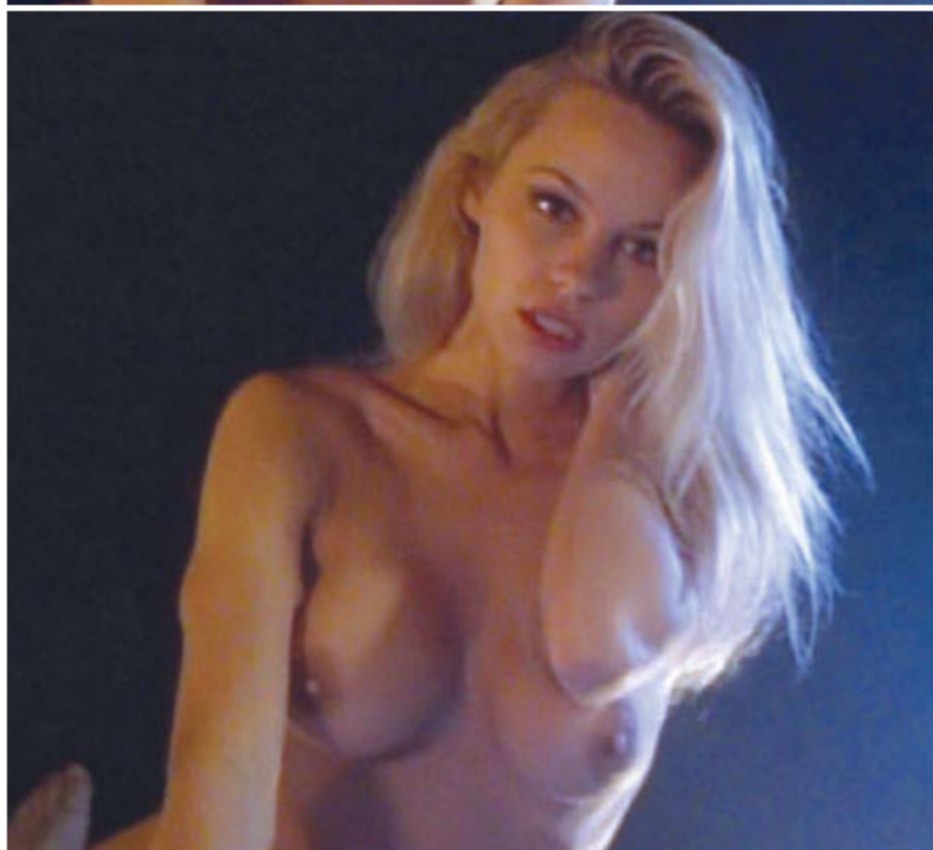

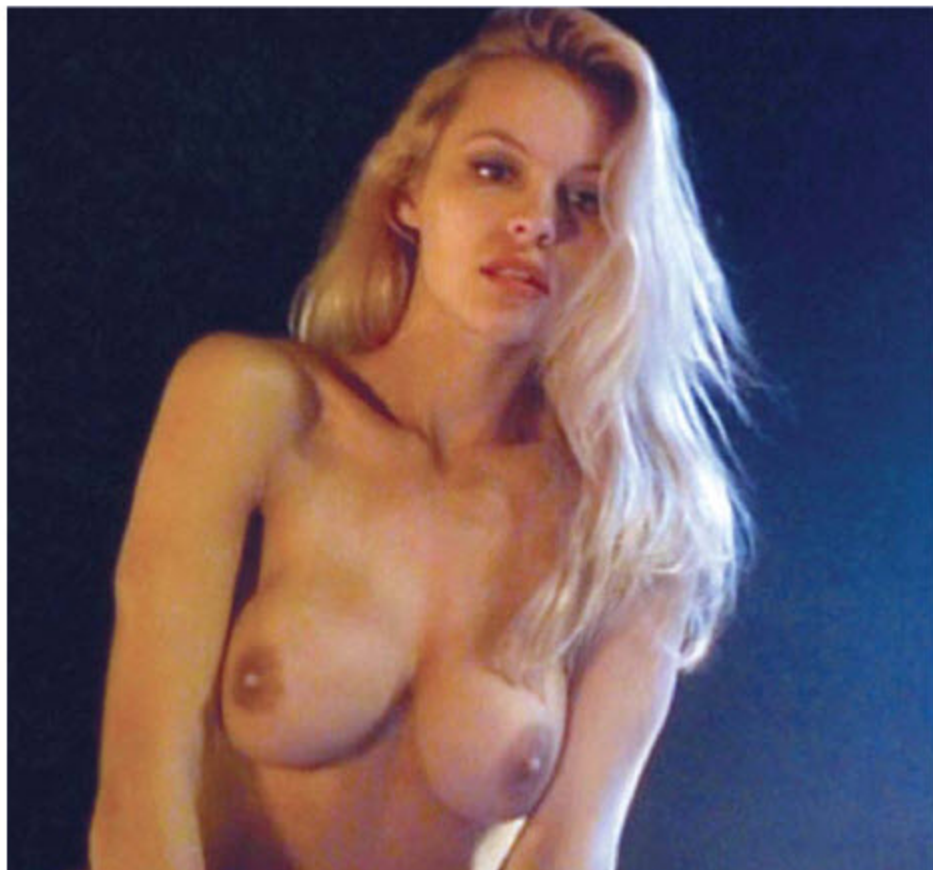

PAMELA ANDERSON

BORN: July 1, 1967, Ladysmith, Canada

GIRL MOST LIKELY TO: Slob a rocker's knob in a motley home-movie.

T&A GRADE: Pamela took the 90s shores by storm when she landed the part of C.J., the bouncing-bikini babe in the hottest show of all-time—*Baywatch*. This sexy surf-siren graciously shared her sun-tanned turf in the fuck-friendly *Snapdragon* (1993, this page), and again in *Barb Wire* (1996, opposite top).

LAY-WATCH: Pam's water-wings have been firing men's jet-skis ever since her skinful days by the bay. She's still in pursuit of trashy men and trashier roles—winning both by wielding enough cleavage to get lost in for another decade.

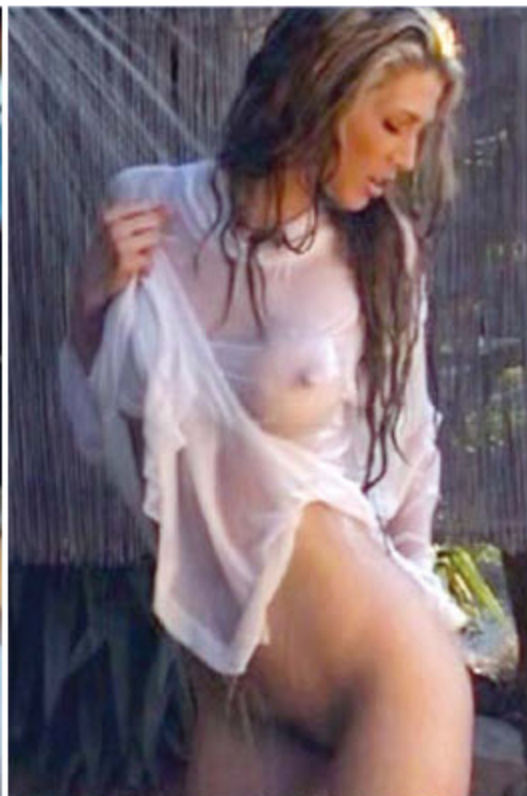

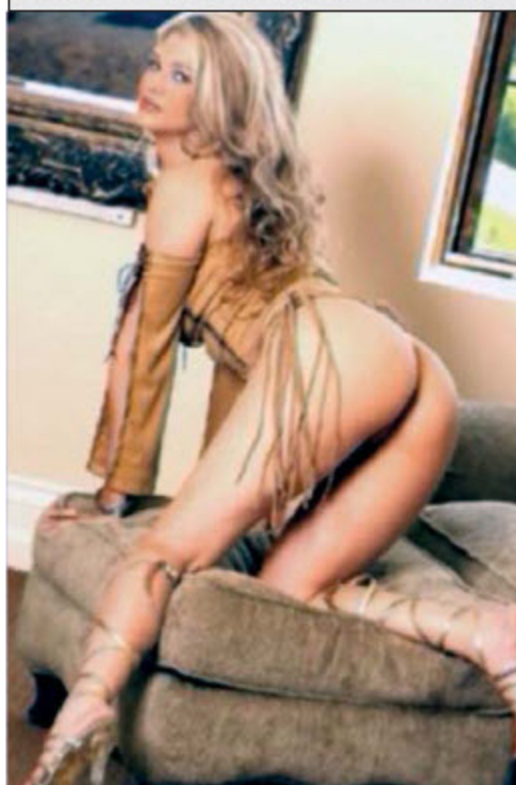

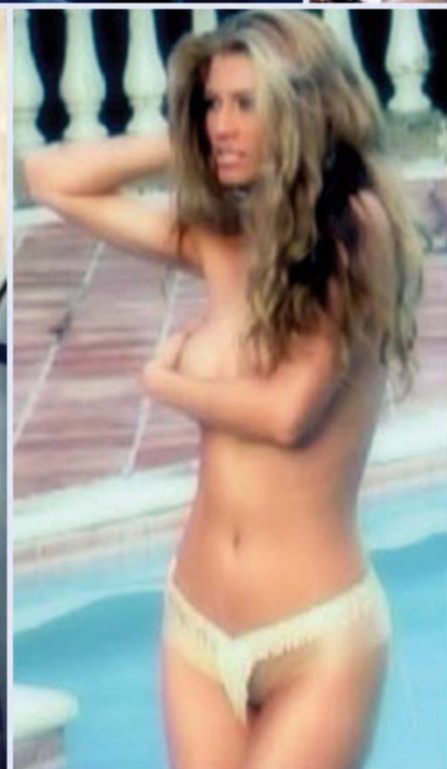

AMBER SMITH

BORN: March 2, 1972, Tampa, FL

GIRL MOST LIKELY TO: Be the hottie named Smith who won't need TRIM-SPA.

T&A GRADE: Amber is a super-molded supermodel whose T&A-confidential DVD *Amber Smith: Raw* (2003, spread) could even make a vegetarian stand up and cheer for the sweet treat that is her mamm-heavy meat. One look at this American beauty's stern will have you playing with your private parts!

AMBER TARTARE: The release of her well-done DVD solidified Ms. Smith's position as the ultimate video-vixen. Her role in the Hollywood smash *L.A. Confidential* (1997), went on to prove that she's smoking hot whether dead or alive!

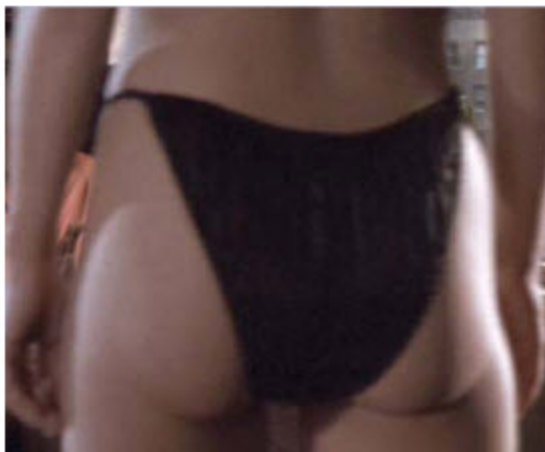

DEBORAH K. UNGER

BORN: May 12, 1963, Vancouver, Canada

GIRL MOST LIKELY TO: Leave the scene of an accidental orgasm.

T&A GRADE: Deborah's unabashed ability to bare-it-all with her full-frontal approach to film defined the naughty nineties. Unger's hunger tempted our senses with *Whispers in the Dark* (1992, below and top), and her muff-crushing scenes from *Crash* (1996, bottom and opposite) left us with a well-earned limp.

DRIVER'S ED-IBILITY: *Deborah's devilish deeds behind the wheel had us beating our seat-belt as we braced for a head-on collision with her furry-fender. Now that we think of it, we wouldn't mind rear-ending her wet-wreckage!*

JAIME PRESSLY

BORN: July 30, 1977, Kinston, NC

GIRL MOST LIKELY TO: Portray red-hot white-trash on television.

T&A GRADE: This former model may be best known as the tasty trailer-park tart in *My Name is Earl*, but it was her deadly disrobing in *Poison Ivy: The New Seduction* (1997, spread) that had us whacking our welfare warrior. There's nothing low-class about Jaime's junior jugs and after-school ass!

HARD PRESSED: *Jaime gratuitously graced the cover of many men's magazines, but it's her on-screen skin-scenes in a decade of decadence that had us stroking our yearbook staff. Her lay-out looks pretty good to us!*

HOLLY MARIE COMBS

BORN: December 3, 1973, San Diego, CA

GIRL MOST LIKELY TO: Win a Wiccan wet t-shirt contest...if Rose McGowan sits it out.

T&A GRADE: This charming TV darling—who brought a brainy sexiness to *Charmed*—certainly gave us *A Reason To Believe* (1995, spread) in her dewy-brew. And Holly sure kept our cum-cauldron smoldering with her spellbinding breasts. This witchy woman will conjure up your magical whacking-wand!

As the cream of our crotch-crop, these lusty ladies rank as the highest ass-ademic achievers. We honor our Vale-dick-torians—who have begun many *cumm*-encements!

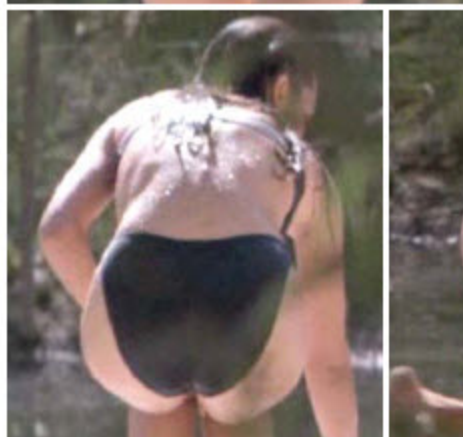

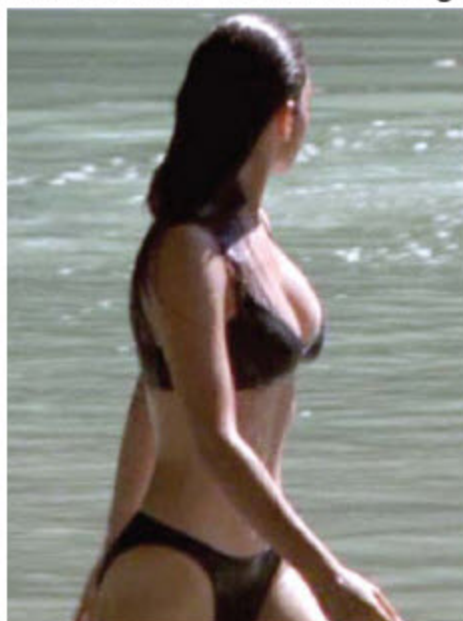

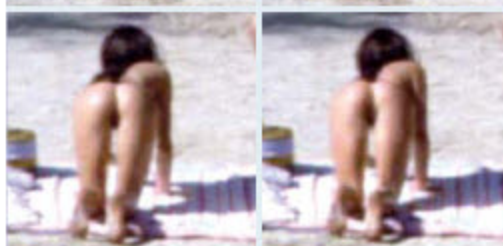

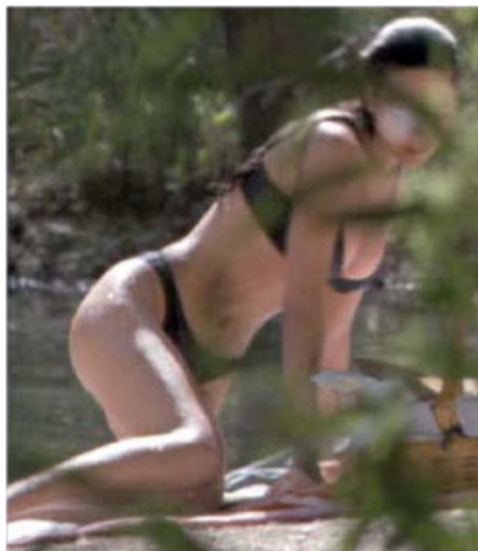

JENNIFER CONNELLY

BORN: December 12, 1970, Catskill, NY

GIRL MOST LIKELY TO: Tickle the palm-puppet in David Bowie's *lap*-yrinth.

T&A GRADE: From child-actor to full-grown sex-factor, Jennifer has been rousing our little rocketeer for years. Connelly's best nudity came in *The Hot Spot* (1990, spread), in which even a not-so-beautiful mind who is confronted with Jen's measurements would feel the urge to multiply!

REQUIEM FOR A CREAM: From a dancer for Sergio Leone to banging the bone for Darren Aronofsky, she's captured the throbbing hearts of Hollywood's most demanding dick-rectors. Her chesty double-features are a can't miss!

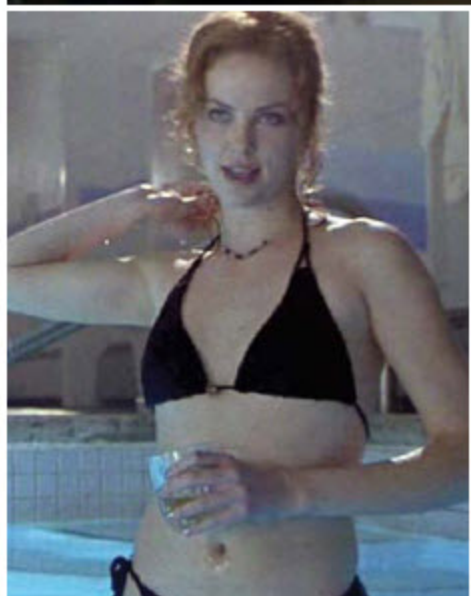

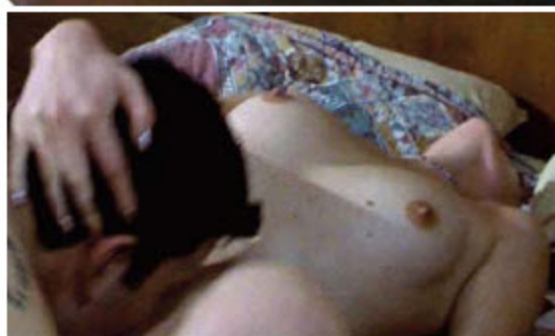

CHARLIZE THERON

BORN: August 7, 1975, South Africa

GIRL MOST LIKELY TO: Win an Oscar for playing a character less attractive than E.T.

T&A GRADE: No Hollywood hottie is better than Charlize at recovering from brutal box-office flops—*Aeon Flux* (2005, below), anyone? She might have made bank with an Italian hand-job, but her red-sled-pulling performance in *Reindeer Games* (2000, right, opposite page), was a gift of the carnal kind.

SINISE INFECTION: Audiences still enjoy watching Ms. Theron whet their nudity-starved whistles. Hell, even Captain Dan's pal Forrest Gump could figure out that feeling-up a young Charlize was Gary Sinise's most rewarding role to date!

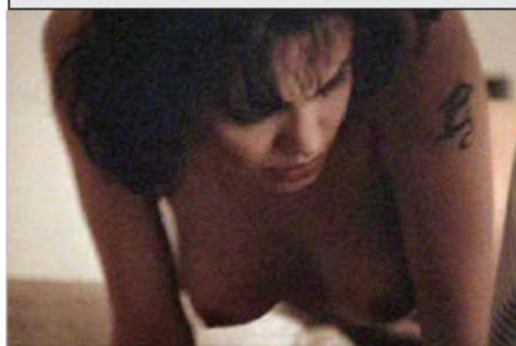

ANGELINA JOLIE

BORN: June 4, 1975, Los Angeles, CA

GIRL MOST LIKELY TO: Rescue deprived children from the faltering-career frontier known as Zim-billybob-we.

T&A GRADE: Daddy Voit's little girl grew-up to be one of Hollywood's most hyped harlots. Her love life couldn't subdue our collective boner for her fleshy scenes in films like *Gia* (1998, this page and opposite top) or *Original Sin* (2001, opposite bottom).

WOMB RAIDER: From a stacked-hacker to a voluptuous video-game vixen, Angelina has risen to the top of the Hollywood hierarchy while avoiding the pitt-falls of stardom. This classic beauty passes with a T&A+!

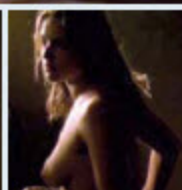

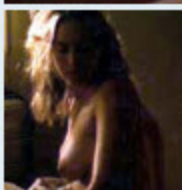

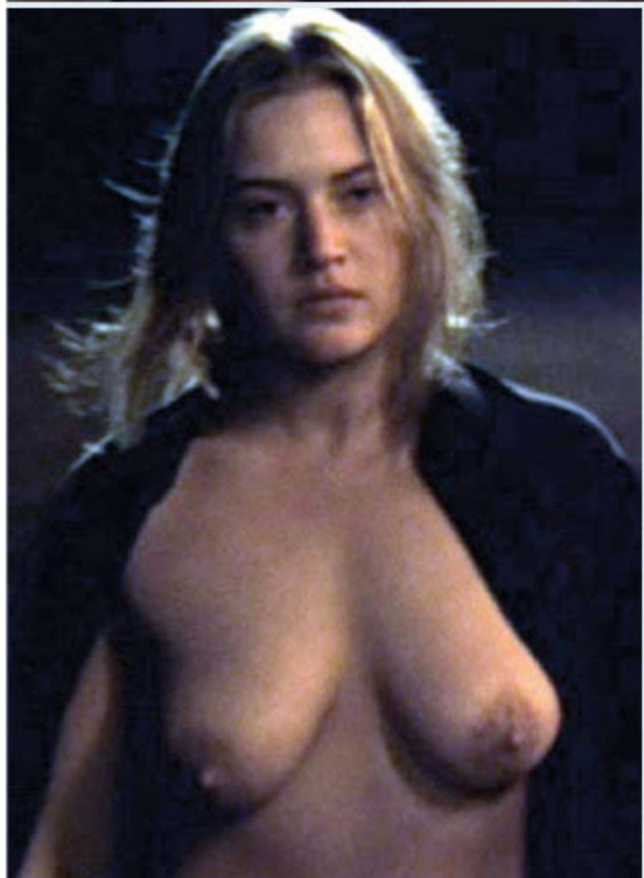

KATE WINSLET

BORN: October 5, 1975, Reading, UK

GIRL MOST LIKELY TO: Sink your luxury crotch-liner with her chest icebergs.

T&A GRADE: Being her generation's most tail-ented didn't stop this heavenly creature from showing off her titanic twosome. After showing off her hideously kinky curves in *Titanic* (1997, below) and *Holy Smoke* (1999, this page right and opposite), Kate has us eternally dreaming of her spotless behind.

HOLY POKE: Kate's full-frontal approach to starring-roles keeps us on needles and quills. In *Holy Smoke*, Ms. Winslet's moistened muff has more screen time than Harvey Keitel, which ensures that finding beaver-land was never easier!

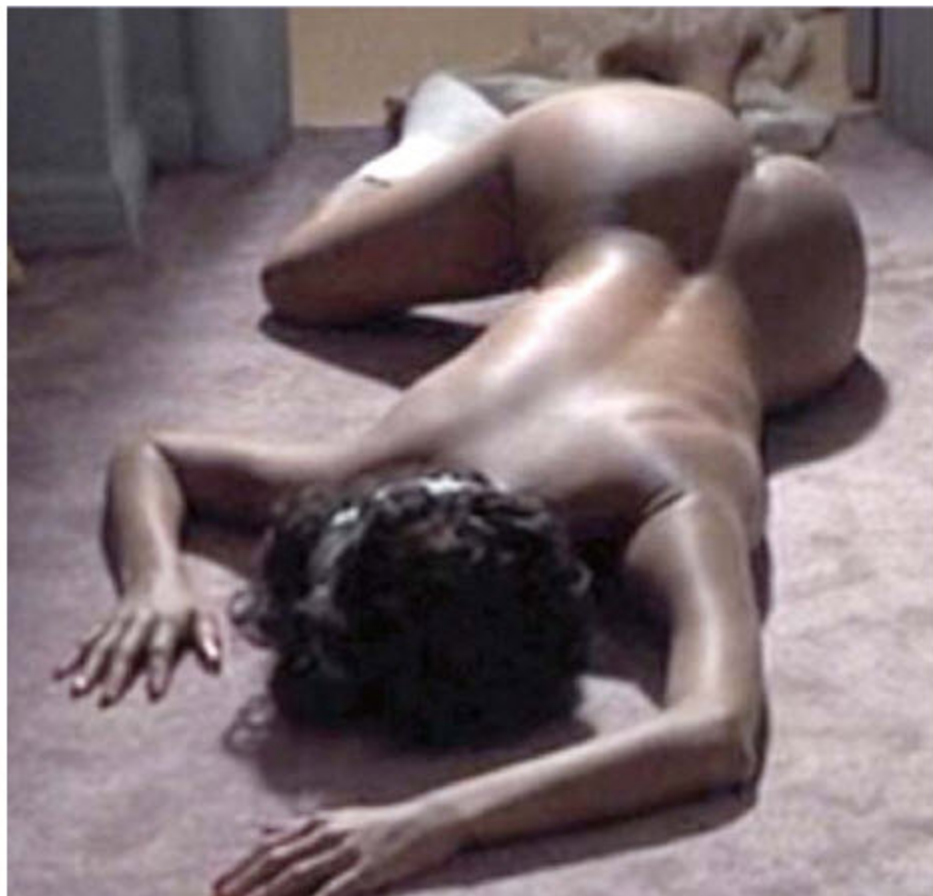

HALLE BERRY

BORN: August 14, 1966, Cleveland, OH

GIRL MOST LIKELY TO: Win an award for bouncing on Billy Bob's *monster balls*.

T&A GRADE: Halle created a firestorm with flesh-heavy flicks like *Introducing Dorothy Dandridge* (1999, below and top), *Swordfish* (2001, opposite bottom) and, of course, *Monster's Ball* (2001, bottom and opposite top)—in which, though she may have bought those curtains on credit, her body is *money*!

SWORD-DISH: *In-between sexy superhero roles, this crime-fighting fox has taken the title of breast actress to heart. When fishing for all-time T&A, Halle's master-bait hooks our big-one every time.*

TERA PATRICK

BORN: July 25, 1976, Great Falls, MT

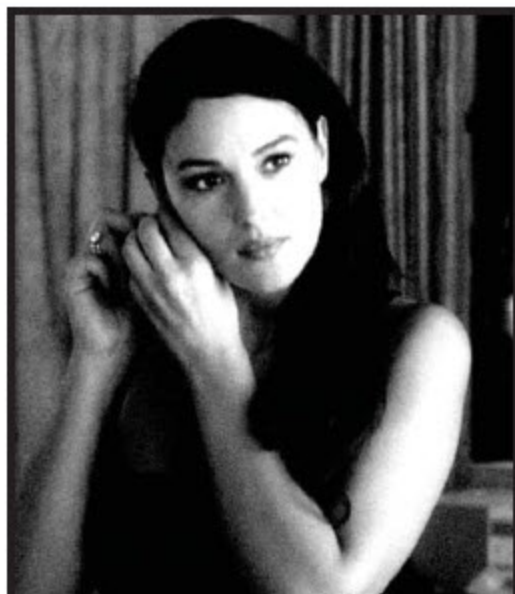

GIRL MOST LIKELY TO: Play the skin-flute in a family band.

T&A GRADE: Since she married Biohazard-frontman Evan Seinfeld, Tera has fine-tuned her adult-film costar head-banging; but Ms. Patrick still takes non-cock-rocking roles in films such as *The Stalker* (2000, this page) and *Pets in Paradise* (2001, opposite), in which the sex is merely implied—strongly!

TERA-MISU: Tera's multi-cultural body is the best thing to cum out of the adult world. As we watch her decorate her dessert-dildo with her coffee-colored clit and sugar-coated cans, we realize Tera is the tastiest treat we've ever served.

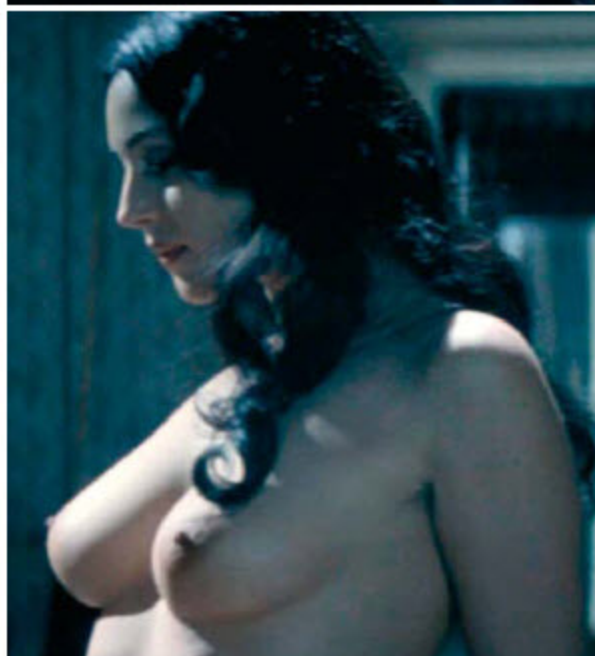

MONICA BELLUCCI

BORN: September 30, 1964, Italy

GIRL MOST LIKELY TO: Make us forget we're watching a Keanu Reeves movie.

T&A GRADE: Monica's flawless body of work—since her American debut as a blood-sucking fang-banger—includes ultra-steamy saunterings in movies such as *Malena* (2000, this page bottom and opposite) and *Under Suspicion* (2000, below and top). This Euro-beauty can blow our Italian horn any day!

ITALIAN BEAT-BALLS: Monica's moist melee in the controversial *Irreversible* (2002, bottom right panel) was ass-packed with Bellucci's bevy of poke-worthy pieces. We admit we even went a little overboard with the palm-esan cheese!

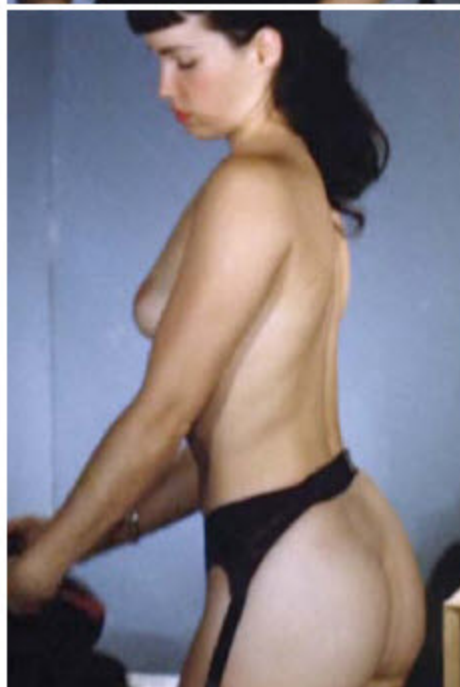

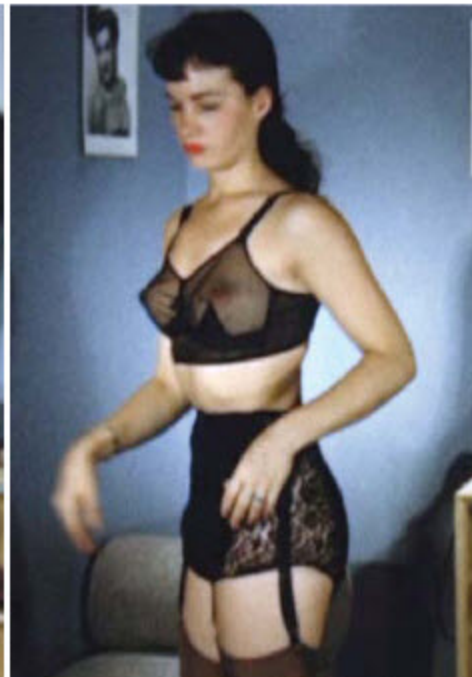

BETTIE PAGE

BORN: April 22, 1923, Kingsport, TN

GIRL MOST LIKELY TO: Be the only thing you and your grandfather can agree upon.

T&A GRADE: This "girl with the perfect figure" became a sex icon by strip-teasing her way into the pants of every American man with randy romps like *Striporama* (1955) and *Teaserama* (1955). You can even see more of Bettie's best in the extras of *The Notorious Bettie Page* (2005, spread).

PIN-UP QUEEN: *Bettie's rise from small-town girl to locker-room royalty is a mamm-orable story that owes it all to the pounding power of her cream-colored skin, a ravenous-rack and a country's urgent need for pent-up pin-up release.*

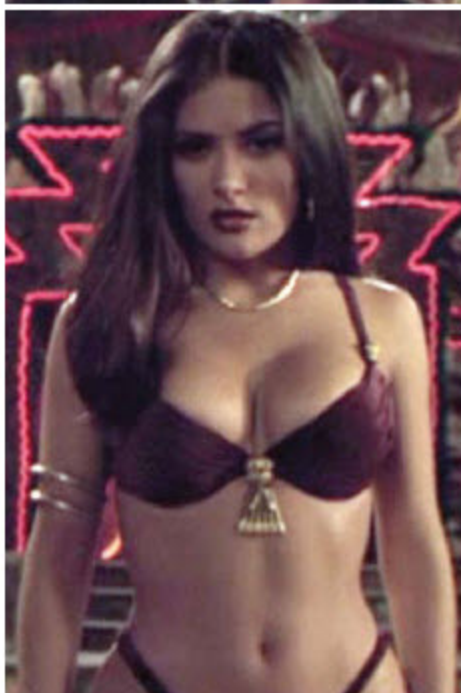

SALMA HAYEK

BORN: September, 2, 1966, Mexico

GIRL MOST LIKELY TO: Remind late-night snackers to think in-between her buns.

T&A GRADE: Salma shook her tasty tamales as a damned dancer in *From Dusk Til' Dawn* (1996, this page). But Ms. Hayek really showcased her sex-Mex delicacies—such as her bouncy breasts and south-of-the-border bush—in *Frida* (2002, opposite middle) & *Ask the Dust* (2006, opposite top).

SALMA-NILLA: Though she's starred with Latin heart-throb Antonio Banderas, such as in the gun-and-cum-slinging *Desperado* (1995, this page bottom), her roles of late have included many close encounters of the caucasian kind.

These are the sexiest student bodies of our *flesh-man* class. Today's finest foxes are staking their claim to stardom with one hot and sexy nude scene after another.

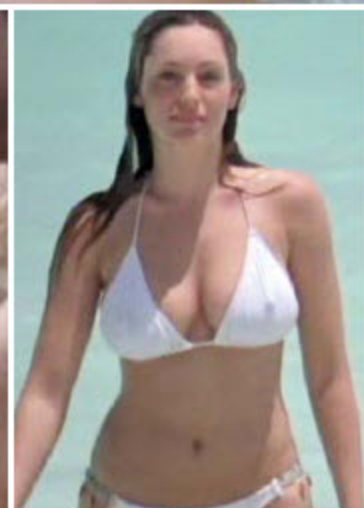

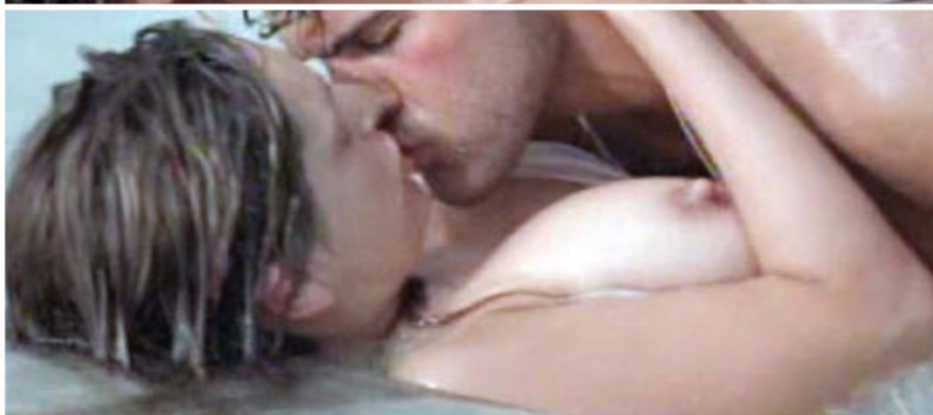

KELLY BROOK

BORN: November 23, 1979, England

GIRL MOST LIKELY TO: Be marooned on an island with Billy Zane's phallic-phantom.

T&A GRADE: When Kelly and her killer chest-cannons are left to fend for themselves on *Survival Island* (2005, spread), clothes go by the wayside and she'll have you pitching a hut. Ms. Brook's stranded suck-sacks are so bouyantly beautiful, it's a wonder it never occurred to her to simply float home!

LIFE PERVERTER: Our palm pirate can't contain its pulsing desire to plunder Kelly's booty! But then again, her all-natural pleasure chest would drive any sailors in-Zane, and ready to raise their skull-and-cross boners!

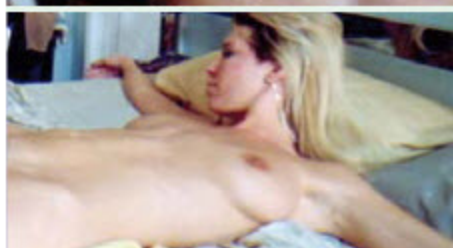

CHLOE HUNTER

GIRL MOST LIKELY TO: Give your local crystal-meth dealer a lap-dance.

T&A GRADE: This dopamine-diva had us cranking our narcoleptic nose-hose as a dick-dipping stripper in the head-bending *Spun* (2002, spread), a film that provided plenty of *meth*-od behind the madness. Whether she was polishing her stripper pole or simply bound to the bed, Chloe's sweat-tweaking twat had us simmering and ready to blow!

HUNTER AND LATHER-HER: *Chloe* wasn't coy when it came to her big-screen break. She fucked and fondled her role into a mound-bounding blitzkrieg. A contact-high with *Chloe* is certainly worth the cum-down!

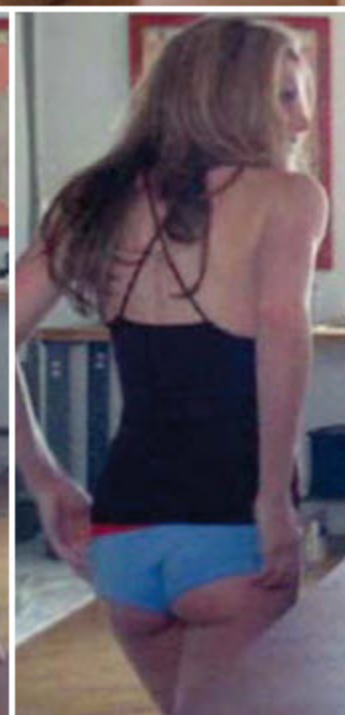

DIORA BAIRD

BORN: April 6, 1983, Miami, FL

GIRL MOST LIKELY TO: Bust any bra that attempts to contain her delicious double-Ds.

T&A GRADE: This too-cool-for-school cutie is ready to move to the head of the Hollywood class of big-breasted b-movie bombshells. Catch a close-up of her all-day-suckers in *Wedding Crashers* (2005, opposite bottom), and her crotch-creaming turn in *Hot Tomate* (2006, this page and opposite top).

LAIID-OF-HONOR: Ever since her bouquet-stealing appearance in *Wedding Crashers*, this former model's colossal chest-crabcakes have become the twin-toast of Tinseltown. "Crabcakes and nude scenes—that's what Diora does!"

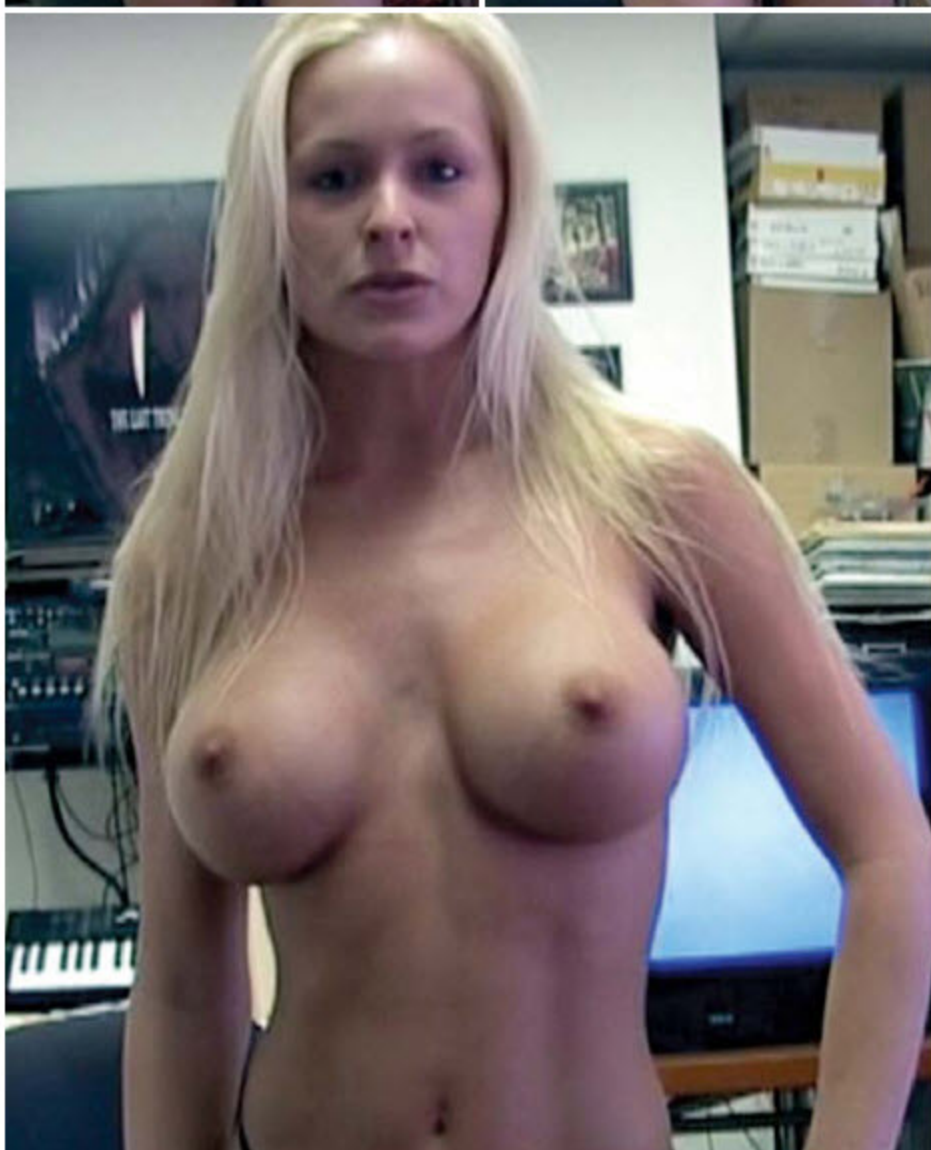

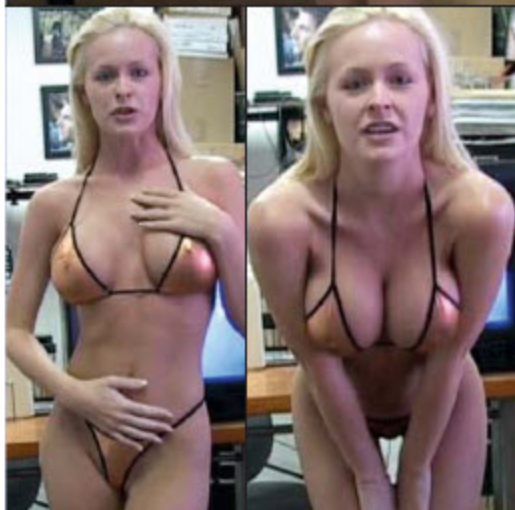

KATIE LOHMANN

BORN: January 29, 1980, Scottsdale, AZ

GIRL MOST LIKELY TO: Be chosen as *poon-mate* of the month.

T&A GRADE: With the topless co-ed casting as the one of the creamiest college dream girls in recent *mamm-ory*, this *Dorm Daze* (2003, spread) debutante had every classmate trying to spread her centerfold. Ms. Lohmann's double-d breast-batteries always *cum* in handy when the lights go out.

LOHMANN'S LAM-POON: Katie's perfectly toned and finely tuned body will leave you beating your boy-bongos in time to her T&A tempo. This frat-boy favorite just made this semester's course load heavier by two huge, sexy subjects!

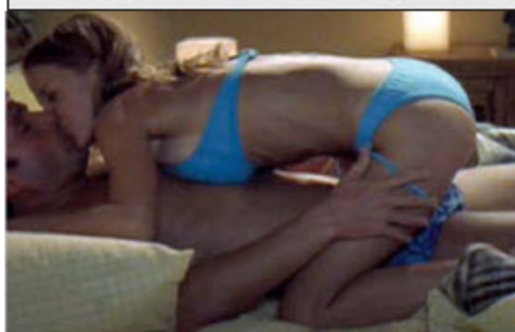

JORDAN LADD

BORN: January 14, 1975, Hollywood, CA

GIRL MOST LIKELY TO: Have you grasping your *palm-tree* at the sight of her coconuts.

T&A GRADE: Before Jordan had us groping our own clubs in the killer-swing farce *Club Dread* (2004, spread), Ms. Ladd's tanned milk-missiles were heating up the great out-whores in *Cabin Fever* (2002). Your little lap-ladd will be the first blunt instrument you grab watching this murder-by-beaver blast!

CLUB HEAD: When Jordan jumps on your joy-toy, your only chance is to suc-cumb to her dirty-dance. Her mounting-momentum keeps all gyrating gourd-swords—on and off-screen—moving in the right erection!

GRETCHEN MOL

BORN: November 8, 1972, Deep River, CT

GIRL MOST LIKELY TO: Yet again cover-up her *fresh-man* flesh for six very long years.

T&A GRADE: Gretchen took a blue-balled break from baring her b-cup beauties in between her ass-flashing foray in 1999's *Forever Mine* and her solid performance as *The Notorious Bettie Page* (2005, spread). The wait was well worth it, as Mol's mini-mamms passed our phallic-exam.

OH, BLACK (& WHITE) BETTIE: *This Connecticut cutie granted a gratuitous gander at her dark delta in her pin-up portrait of America's infamous sex icon. The role thrust her straight to the head our of class with ample amounts of ass.*

JAMIE KING

BORN: April 23, 1979, Omaha, NE

GIRL MOST LIKELY TO: Somehow make death—and Mickey Rourke—look good.

T&A GRADE: We were all smiles watching Ms. King's skin turn in *Happy Campers* (2001, this page and opposite top), but it was her role as Goldie in *Sin City* (2005, opposite bottom), that truly earned our one-armed applause. Her bronzed-boobs were the only identical twins that *Sin City* needed!

PROJECT CUM-WAY: As a famous teen un-cover-ed girl, Jaime ruled the horny-hierarchy of the fashion industry. Since then, Ms. King has taken her golden-globes to Hollywood, and you can be sure SKIN will bring her to your bone-throne.

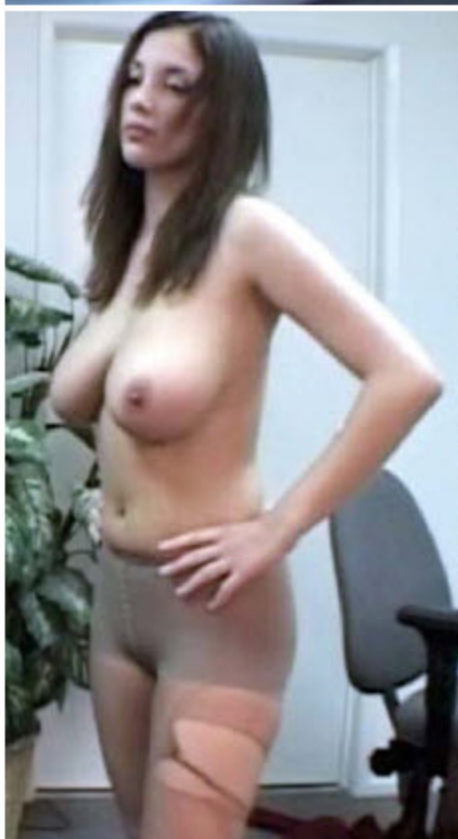

JELENA JENSEN

GIRL MOST LIKELY TO: Lick any lucky lass whose ass crosses her cat-fighting path.

T&A GRADE: This purring princess of pantyhose pugilism is an up & cummer on the softcore scene whose double-d display is the undisputed champ in a class of heavy-bag hitters. The titty-twisting tangle *Office Pantyhose Catfight* (2004, spread) caused a new kind of pantyhose run—to buy the DVD!

FELINE FETISH: Although Jelena's rousing rack may be the hottest thing around, it's her toe-in-tongue teasing that has every leg-lover easing into her foot-fondling fantasies. This beauty's beaver causes an outbreak of cat-scratch fever!

As the host family to Hollywood's ripest international raw-talent, *SKIN* brings you these foreign foxes who've landed on our shores to school us in the language of lust!

ZITA GÖRÖG

BORN: September 27, 1979, Hungary

GIRL MOST LIKELY TO: Somehow make the use of umlauts seem *ôh sô* sexy.

T&A GRADE: Zita had us pining for her pink-pita as this model turned man-eater showed off her moist-mane in the *Den of Lions* (2003, this page). Ms. Görög's flesh flashes in the flithy-film flick *8MM 2* (2005, opposite page) make one thing clear: She'll never go (to) Hungary again!

HUNG-RY HUNG-RY NYMPHO: Get a gander of the gorgeous Ms. Görög's ghoulash! She is one international dish we can't seem to get enough of. When in the mood for nude, nothing fills us up like a hearty helping of Hungarian hair-pie.

MANUELA ARCURI

BORN: January 8, 1977, Latina, Italy

GIRL MOST LIKELY TO: Have her midfield overrun by Italian *ballers* looking to score!

T&A GRADE: This full-figured Italian had our mini-stallion racing for her spellbinding meat-mamms in *The Witch Affair* (2003, spread). The bewitching movie is filled with black cats, mayhem and murder. But we still couldn't take our eyes off Manuela's curves, or the only black kitty that mattered—her's!

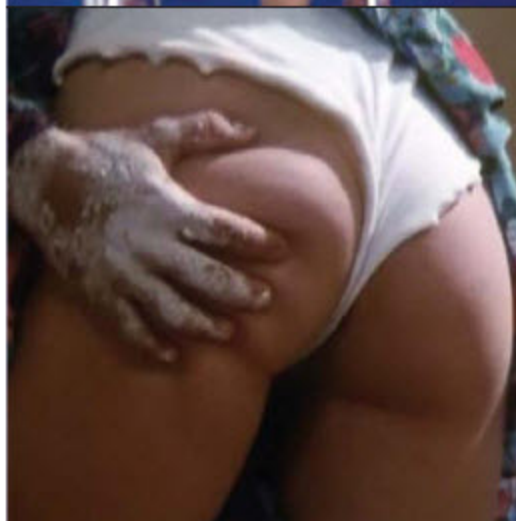

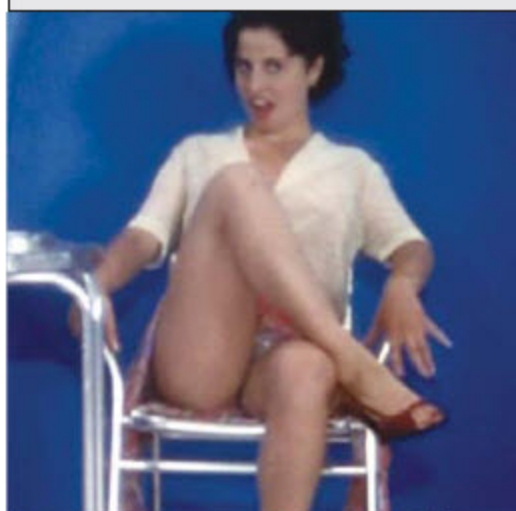

MANUELA LABOR: After a long day of sunbathing her gargantuan chest-cauldrons, Ms. Arcuri loves to cum home to a hearty helping of man-icotti. There's just something about a stuffed tubular noodle that really gets her sauces simmering!

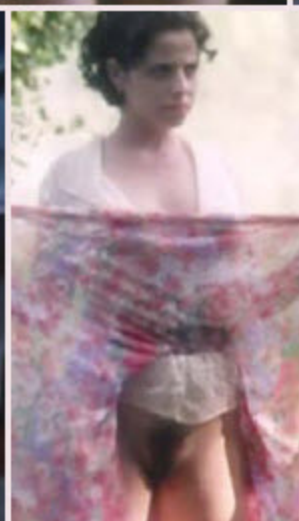

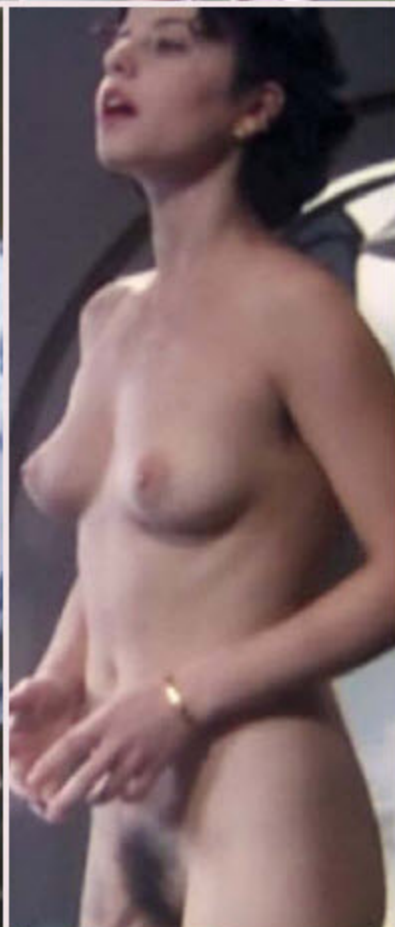

ANNA AMMIRATI

GIRL MOST LIKELY TO: *Have you wishing you are reborn as a bicycle seat.*

T&A GRADE: Anna's naughty-nympho bride-to-be in *Frivolous Lola* (1998, spread), which was directed by the ass-master Tinto Brass, showed us just how *hard* it is to wait to wank on your wedding night. This horny bride will make it difficult for all the groom's friends to be the best-man. By sticking to his wall-to-wall-nudity guns, Tinto proves he has not only literal but figurative *Brass* balls!

SCHWINN(NNG!): *There's nothing like a naughty bicycle ride by a bush-bearing babe to get our pedal pumping on our tenth speed. Anna is an awe-inspiring spectacle who has more Italian men under her thumb than Mussolini ever did.*

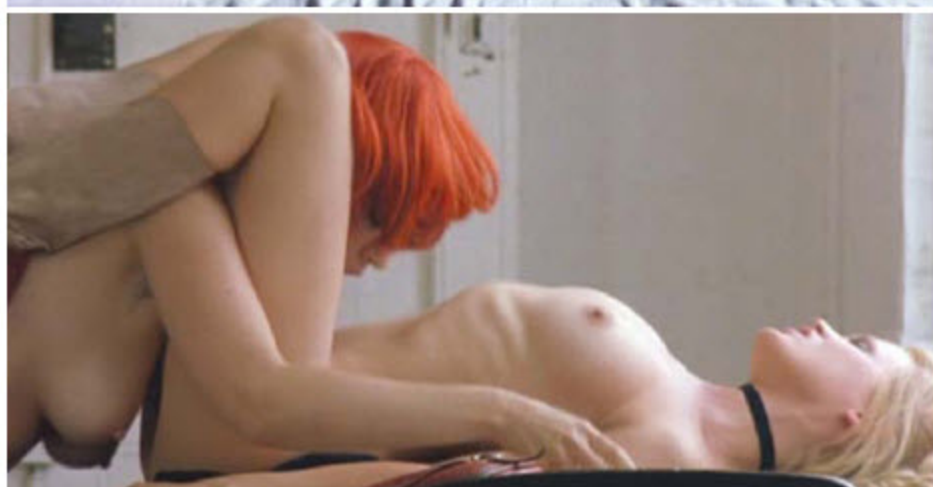

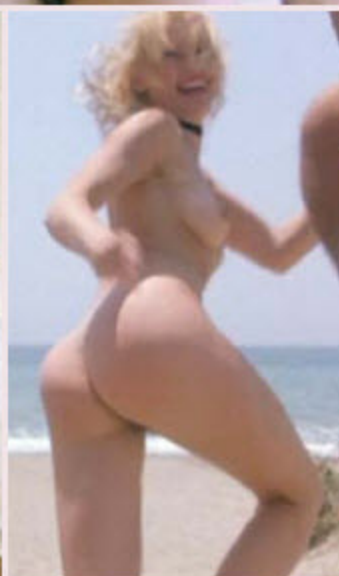

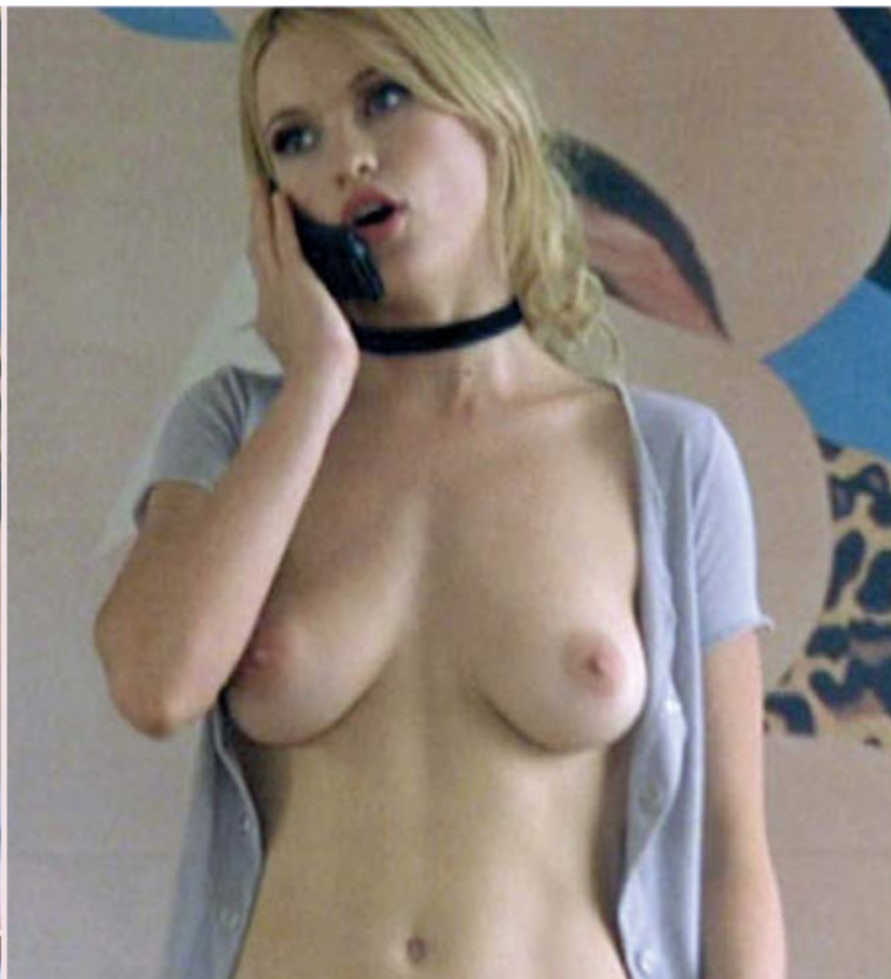

YULIYA MAYARCHUK

BORN: April 20, 1979, Odessa, Ukraine

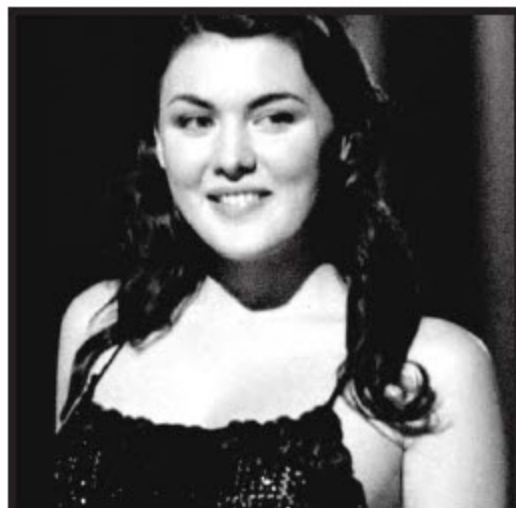

GIRL MOST LIKELY TO: Put the ass in Tinto Brass!

T&A GRADE: This seductive Soviet siren sizzled as an irresistible temptress in *Cheeky* (2000, spread), a titillating and tantalizing T&A tale directed by the menstruation-maestro Tinto Brass. Now that the cold war is over, Yuliya will warm your missiles and keep them aimed at her primary target.

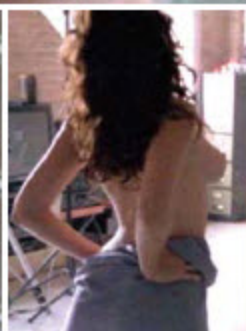

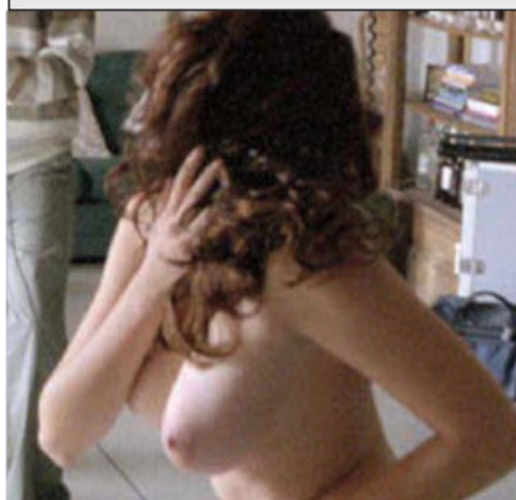

MAJOR-FUCK: From the look of things, there's plenty of playful cheek-to-cheek action in the wide-open world of this firm-bodied hottie. Whether it's a male or female costar, Yulia is capable of satisfying their Ukranian yeaming!

MARTA NIETO

GIRL MOST LIKELY TO: Use her gorgeous breasts to sooth your mini-matador.

T&A GRADE: This exotic import from Spain kept her cool in the *Face of Terror* (2003, spread) by shedding her threads and shaking her milk-making maracas. This penis picador brandishes her succulant suck-sacks until our salsa-sticks are hot and spicy. We're bullish on the future of this Iberian ideal, thanks to her Hemingway-worthy hooters and a killer carnal instinct!

THE CUM ALSO RISES: Marta's mouth-melons had us begging to blow our liquid-load when she willfully wet our bone-burrito with a tantalizing shower scene. We'd love to get sucked into her Spanish-fly-trap!

LUDIVINE SAGNIER

BORN: July 3, 1979, France

GIRL MOST LIKELY TO: Put the wardrobe department out of work.

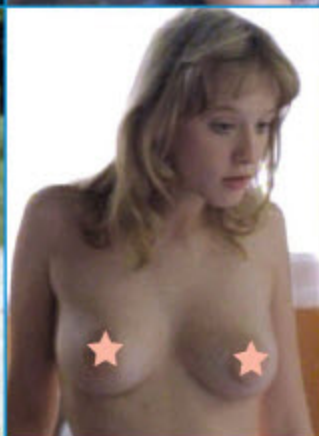

T&A GRADE: Sagnier's signature skin had our juices dripping in *Love Drops on Burning Rocks* (2000, bottom and opposite top). Next, in the full-frontal faves *La Petite Lili* (2003, below and top) and *Swimming Pool* (2003, opposite bottom), Ludivine proved that nudity is sometimes all the plot you need!

FRENCH NUDE WAVE: *Ludivine delectably dove into our French-fried fantasies with her skinny-dipping tour-de-force in the flesh-friendly Swimming Pool. Now, if we could only surf our waxy boy-board head first into her deep-end....*
